News Bits from AASPN

Nursing students in their final semester should registrar for the Career Success course now. See Sister Kathryn for the registration and for some details about the course that is scheduled for the month of April.

The nursing department is being received for on-going approval by the North Dakota Board of Nursing. On March 19 the Board visitor will be at St. Alexius Medical Center with students and instructors. On March 24, the visitor will be on campus -- visiting with instructors, staff, students, sitting in on classes, meetings. We appreciate your prayers so that all will go well. The Self Study is nearing completions.

The Board conducted its last visit in 1995. The National League for Nursing also visited in 1995. The League will come again in the year 2000.

 Director, AASPN Program

Office Technology Club

The Office Technology Club is up and going! So far, we have had three meetings and one fundraiser. Lynn Ketterling and Kathy Aller are the new advisors. The following have been elected:

Cathleen Ute - President

Steves Makes Him First - Vice President

Vanessa Thomas - Secretary

Fawn White Mountain - Treasurer

We need a Student Senate Representative.

If anyone is interested contact Lynn at ext. 358 or Kathy at ext. 206. If there are any Office Technology students interested in joining the club, attend our next meeting on Thursday, February 26, 1998 at the Education Building, in Room 220 at 2:30 pm, door prizes included.

On March 7, 1998 at 7:30 pm, we are having a bake sale during the men's basketball game. We also have use of the canteen and if anyone is willing to donate baked goods, drop them off at the gym at 7:00 pm on March 7 or contact Lynn & Kathy. We will also need volunteers to work in the canteen on that night, if interested, sign up in Lynn's office.

We would also like to thank everyone who participated in the Valentine's sale. It was a success!

Chemical Health Center

Ten Promises for Beginners of Sobriety

1. You will know freedom from maalox, aspirins, and listerine.
2. You will no longer have to approach toilet bowls on your hands and knees.
3. You won't fall asleep with your contact lens in.
4. You won't have to make excuses for all those empty bottles like "I'm saving them to store water in case of a hurricane."
5. Your car won't stink like a brewery any more.

6. You will remember where you left your car.
7. Your pets won't hide under the bed anymore when you come home. Neither will your spouse and kids.
8. The fear of mirrors will leave you.
9. You will lower your risk of catching a social disease.
10. You will suddenly realize how much better your life is sober.
