NEH Fellowships and Summer Stipends

The National Endowment for the Humanities are offering two types of fellowships for University Teachers, College Teachers and Independent Scholars. These fellowships are the NEH Fellowships and the NEH Summer Stipends.

Through its fellowships and Summer Stipends programs, NEH provides opportunities for individuals to pursue advance work in disciplines of the humanities not limited to the study of the following disciplines: philosophy; languages; linguistics; literature; archaeology; jurisprudence; the history, theory, and criticism of the arts; ethics; comparative religion; and those aspects of the social sciences that employ historical or philosophical approaches.

These two fellowships are on a competitive nature. Faculty members of colleges and universities must be nominated by their institutions and cannot apply directly. Each institution is allowed two applicants. Prospective applicants who will require nomination should acquaint themselves with their institution's nomination procedures.

Applications deadlines are May 1, 1996 for the NEH Fellowships October 1, 1996 for the NEH Summer Stipends. For more information contact United Tribes Technical College's Placement office.

Reading Is Fundamental

RIF (Reading Is Fundamental) Day will be held on Friday, April 26 at TJES. Free books will be selected in the morning from 8:30 - 10:00 am followed by a BIG celebration in the BIG gym from 10:15 - 11:00. Then the students will head to the cafeteria for BIG lunch with BIG cookies and BIG glasses of juice.

In case you're wondering this is a BIG celebration. It's our last RIF distribution for the year and we're celebrating in a BIG way. Each day is a BIG day at TJES.

Monday - BIG shirt Day

Tuesday - BIG hat, cap or shoe day

Wednesday - BIG heart day (catch students doing BIG good deeds)

Thursday - Big bubble day (contests for biggest bubble gum blowers)

Friday - BIG hair day - and BIG people day.

Please stop by the school (we love to have BIG people visit us), encourage your child to participate or participate yourself - especially on Friday - you "OLDER" staff members must remember how to "rat" your hair. Go for it!!

TJES will have some very special visitors at our school on Tuesday, Wednesday and Thursday (April 23, 24 and 25). The pre-school students who will be coming to Kindergarten next year are going to visit TJES for a half hour (10:30 - 11:00) next week. They will visit the Kindergarten room and take a tour of the rest of TJES.

Car Care Clinic

UTTC Auto Club will be conducting a Car Care Clinic on April 29 from 8:00-4:00 and April 30 from 12:00-4:00. We will be doing front wheel alignments, total four-wheel alignments, wheel blancing, tire rotation, and oil changes. Vehicles will be taken on an appointment basis only. The club will be taken from 1:00 to 4:00 on Friday, April 26 at Ext. 238. No appointments will be taken at any other time.

At the time the appointment is made, we would like to know the year, make, model, and engine size of the vehicle. This will allow us to have parts on hand to make the service faster. We had a great turn-out for the last clinic and are planning on the same this time, so make your appointment early. All bills also need to be paid before the vehicle leaves so don't need to issue any arrest warrants. HA! HA! HA!
