## UTTC Career Fair

Friday, April 11, 1997

12:00 pm - 4:00 pm

There will be Career Fair held at the James Henry Gymnasium on the campus of United Tribes Technical College at 12:00 pm to 4:00 pm.

This Career Fair is to expose young people to the opportunities that are available to them after secondary or post secondary education. It will give them new ideas and options to plan a future that is bright and secure. There is an exciting world of technology out there that awaits them, and we must provide them every opportunity so they don't miss out.

Participants will include high schools and tribal colleges from all five reservations in North Dakota, regional colleges, recruiters from branches of the military, high school students, business institutions, and the general public in and around the Bismarck/Mandan area. Complementary coffee and rolls will be provided for you.

If you need more information about the United Tribes Career Fair you can reach me at extension 280, Shirley Iron Road extension 226, or Pam Carlascio at extension 244.

Thank you and we will be seeing you the 11th of April.

Placement Counselor

## More Registrar "Stuff"

BY NOW, everyone should have received a copy of their midterm grades, IT IS VERY IMPORTANT THAT YOU LOOK THESE GRADES OVER CAREFULLY for a couple of reasons: numero uno: You may be enrolled in a class that you've no idea (?) you were supposed to have been attending. This happens because YOUR ADVISOR will register you for this class without telling you-heaven forbid, or "DUH"-you simply forgot you were enrolled. This happens mostly with the college prep or LC courses. #2: You are FAILING a class and cannot see the light at the end of the tunnel, (even with a flashlight!). Three: You filled the Drop form out but did not turn it in to me, check out that stack of loose papers in the corner it's probably there. In any case you will need to DROP the class or receive whatever grade your instructor deems suitable as your FINAL grade. If you have not received your midterm grades you can get a copy from your vocational advisor or see moi-Amanda, ext. 216.

What follows are true versions of actual conversations I was privy to. A former student had started at UTTC and had moved on to another fine, higher center of learning (no, not the spaceship behind the comet) and lo and behold, they finally look at the official transcript at this new school and see a "different" grade from the one their instructor had told them they were to receive. Another time it was years since this student been here and I get a frantic call, the student wants to have the grade changed! I ask them why they did not notice this discrepancy before, like when they first got the "wrong" grade, Answer: "I never seen my grades before". Another student finally got around to looking at their grades and I get another frantic call, this time the student said "I dropped 'such'n a' class but I got a (failing) grade. If you, leave it on there I'm going to miss out on my funding"...or some other worldly catastrophe will befall them. I don't ask them why they didn't do something about it at the time because I've heard the answer and I KNOW who'll get the blame. MORAL: PLEASE, EVEN IF YOU THINK YOU KNOW WHAT CLASSES YOU ARE TAKING, OR WHAT GRADE YOU BELIEVE YOU'LL RECEIVE, CHECK IT OUT WITH YOUR OWN TWO EYES. If there is a mistake (I'm not saying I'm perfect, but I have been known to be wrong) together we could possible fix it in the here and now, while there's still time. Thank You.

Speaking of dropping a class there is a certain date you must remember, MONDAY-APRIL 14TH. THIS IS THE LAST DAY TO DROP A CLASS. All you need to do is pick up an ADD/DROP FORM from your vocational advisor, the UTTC library, or from Ann at the Skills Center office, fill it out completely (along with BOTH the CALL & DEPT. numbers-YOUR VOC ADVISOR WILL HAVE THESE), get the proper signatures and RETURN THE FORM TO THE REGISTRAR'S OFFICE ON OR BEFORE 5:00 P.M. up to the drop date, and I'll drop you.

## Chemical Health Center Untitled Poem

Big fluffy snow flakes swirl past my window  
the tree across the street is turning red with new bark.  
All kinds of people walk past the tree.  
They don't seem to notice that the tree is changing.  
This winter is almost over so I can be grateful  
for this cold and snow.  
If I can let go of bitterness and fears, spring  
will bring new growth and peace.  
Like the tree, I must trust the Grandfather  
to bring new life and change.
