A notice to all 1997 December Graduates

Starting November 24, 1997, you will have Twenty-five days to interview with the placement office. These meetings will be about scheduling interviews with potential employers and employer agencies. Be sure to call ahead for an appointment.

By this time (through previous interviews) all resumes and completed 171 and 612 Federal Application Forms should have been filed in the placement office. Remember that the placement office is a required check point before you can graduate.

Also remember that the Bismarck Tribune Employment Ads are posted on my door. Jobs highlighted are related to all vocation offered at United Tribes. The federal and national job announcements are in color binders by room 120 in the Education Building.

Thank you.

Vince Schanandore,
Placement Counselor

Use of Canteen/Fundraisers from Student Senate

Please inform your students of the information provided below. The Student Senate held a meeting on Friday, November 14, 1997 and it was decided upon to charge each vocation a \$25.00 flat fee for the use of the canteen.

If a vocation would like to use the canteen they must submit a written request to the Student Senate a week in advance, we will then approve or disapprove their request.

All vocations will have a chance to use the canteen if they wish to raise money for educational purposes.

Continued on page 2.

Continued from Front Page.

If a vocation already had the canteen and they want to use it again they may do so only if there are no other requests to be honored.

Also, if a vocation wishes to have a Taco Sale or any kind of fundraising, it must be submitted in writing to the Student Senate for approval so that there will be no conflict with any other activities/fundraisers that may be taking place at the time requested.

The Student Senate will be holding open meetings twice a month, every tuesday, all meetings will be conducted at building 61 in the conference room beginning at 4:00 pm, to discuss issues that need to be addressed. We would like all students interested in attending these meetings to do so. We need you to voice your opinions and input in certain matters. Thank you for your interest.

Scheduled Meetings are: Dec. 2 & Dec. 16, 1997; January 6 & 20, 1998; February 3 & 17, 1998; March 3 & 17, 1998; April 7 & 21, 1998; May 4, 1998.

Thanks to Guest Speakers

Nursing students are finding that guest speaker bring them valuable information.

On Friday, November 21, University of Mary faculty member, Sally Olsen, spoke to the Psychiatric Mental Health class about rape and related problems. The help that can come from a support group was also explained. Carol Manifold is the course instructor.

Nursing program director Sister Kathryn, participated in a forum sponsored by the National League for Nursing in Chicago on Monday, November 17. There was about 100 nurses in attendance, all evaluators who visit nursing programs seeking League accreditation.

Congratulations should also be extended to Dorvin Froseth who was a third nominee from UTTC for the Bismarck-Mandan Chamber of Commerce Crystal Apple Award in higher education.

Why should we learn how to refuse drugs?

by Chemical Health Center

Because Drugs are harmful and can cause many problems:

- ☞ poor performance in school, sports and work
- ☞ trouble with the law, and possibly a criminal record
- ☞ poor relationships with family and friends
- ☞ death from overdose or a drug-related accident

Drugs come in many forms, some common ones include:

- ☞ alcohol
- ☞ tobacco
- ☞ marijuana

There are lots of good reasons to refuse drugs

- ♥ Stay out of trouble, it's against the law to use drugs, unless they're prescribed by a doctor.
- ♥ Avoid becoming addicted, refusing drugs is the only sure way to avoid addiction.
- ♥ Stay healthy, become your best mentally and physically.
- ♥ Build lasting friendships, meaningful friendships are based on trust and respect - not drug use.
- ♥ Get a good education, staying in school at UTTC can get you a great job and you can be a huge success.

"THUNDERBIRDS"

2-2 to start 1997-98 Campaign

The UTTC men's basketball program got off to a 2-2 start this season and are looking for good things to come down the road. "Many of our freshman were tested and overall I really think they have responded well" said coach Finley, "it's really early in the season and the more they play together now the more it's going to benefit the team down the stretch." The team opened the season with a convincing victory over the Valley City State Univ. JV team in a game that was spurred on by some hot passing and shooting by Jason Logg and a pair of resounding dunks by Tanner Albers. "Those two guys along with Travis Albers will again be our leaders this year, they all played together on last year's team which came one game away from advancing to the NJCAA National Finals in Danville, Iowa" said Finley, "we lost Terry Lee to the University of Mary where he has already made an impact, but for us we have a 20 point and 11 rebounds per game gap to fill so some freshman will have to step in and play right away."

The team traveled to UND-Williston to take part in the "tip-off" classic November 13-15 where they first faced a tough UND-Williston team. The "Thunderbirds" led much of the first half only to fall to the "Tetons" relentless pressure, the final score was 109-93. "I though we played well against a good team, we have some work to do but we'll be ok." Dawson Community College from Glendive, MT gave the "T-birds" all they wanted the following day, "they played extremely well" said the coach, "they just come out and beat us from the tip off." Against MSU-Bottineau the team finally got their second victory of the young season, "we played better then we did in the previous two games but almost lost the lead in the game's final minutes." The final score was 92-89 in favor of the "Thunderbirds." The next home game for the team is on Tuesday, November 18, 1997 against the UND-Lake Region Royals, hope to see you there.

TJES Christmas Program Thursday, December 11 2:00 pm - GYM

Do you want to get in the mood for Christmas? All the UTTC students, staff and faculty are invited to the elementary school Christmas program. The kindergarten will perform Christmas songs and poems and Grades 1-8 will present the program "Christmas in our Town". It is a program about many different kinds of customs you see in December. The 7/8 graders will serve as puppeteers and the 5/6 graders have been working on a multimedia presentation to present. Even if you don't have a child enrolled at TJES, please come and get in the mood for Christmas. The children have worked very hard to learn their parts and the support of family and friends is very important to them. Please plan to attend now.

PROCLAMATION

World AIDS Day - 1 December 1997

Whereas the global spread of HIV infection and AIDS necessitates cases and, worldwide effort to increase communication, education and action to stop the spread of HIV/AIDS; and,

Whereas UNAIDS estimates that 21.8 million are currently living with HIV/AIDS, with children under the age of 15 years accounting for 830,000 of the cases and,

Whereas We the number of people diagnosed with HIV and AIDS in the United States continues to increase, with 581,429 AIDS cases reported (as of December 31, 1996); and

Whereas World AIDS Day provides an opportunity to focus on HIV infection and AIDS, and learning about HIV/AIDS; and,

Whereas the 1997 World AIDS Day theme "Give Children Hope in a World with AIDS" (a) urges the world to contemplate the long -term repercussions of the AIDS pandemic, (b) recognized that everyone can do something about the pandemic through prevention, education and compassion, and ()emphasizes the hope of finding the means to prevent and cure HIV/AIDS in the ultimate prospect of minimizing the impact of the epidemic on children, their families and their communities;

Therefore, I, , do hereby declare 1 December 1997 as World AIDS Day and urge all citizens to take part in activities and observances designed to increase awareness and understanding of HIV/AIDS as a global challenge, to take part in HIV/AIDS prevention activities and programs, and to join the global effort to prevent the further spread of HIV/AIDS.
