DEC. 20, 1993

Braised Beef over Noodles, Vegetable, Salad, Oatmeal Raisin Cookies

COUNSELING

"Every part of this Earth is sacred to my people. Every shining pine needle, every sandy shore, every mist in the dark woods, every meadow, every humming insect. All are holy in the memory, and experience of my people."

-Chief Seattle, Dwamish

The wolf and the bear are two of the most threatened species in the world. They are symbols of our chance to learn how to treat our planet with respect and caring. If we are able to allow the wolf and bear their places, we will have learned much about walking in balance and harmony on our Mother Earth.

"A very great vision is needed and the man who has it must follow it as the Eagle seeks the deepest blue of the sky."

-Crazy Horse, Oglala Lakota

The Bald Eagle has long been regarded as a spirit of power by the Native American Tribes of North America. The presence of an Eagle strengthens the heart and gives courage to those who see it.

"We should understand well that all things are the work of the Great Spirit.

We should know that He is within all things: The trees, the grasses, the rivers, the mountains, and the four legged animals, and the winged peoples...

-Black Elk, Oglala Lakota

The mountain lion is a silent stalker with the ability to fade from sight. It is a solitary hunter who strikes like the lightning a quality much desired by warriors. The Cat Spirit provides fearless protection against evil. It is a strong spirit to have as an ally.

IF YOU FIND MISTAKES

in this publication, please consider that they are there for a purpose. We publish something for everyone, and some people are always looking for mistakes!

NURSING

At a Dessert Gathering held in Room 111 of the Education Building on Monday, December 6, ten nursing students were presented with Florence Nightingale Lamps and twenty graduating students, with their professional nursing pins.

Receiving a Nightingale Lamp means the student has successfully completed the first phase of the nurse education program, including one major clinical course; in addition the student has been formally admitted into the nursing program.

Those receiving Nightingale Lamps were: Paulette Claymore, Lori Cole, Courtney Follows the Road, Cara Holtz, Jennifer Henderson, Jerry Lucier, Peter Roemmich, Colleen Thurn, Karen Schaner and Vina Snider.

During the pinning portion of the event, twenty students who are completing requirements for the Associate of Applied Science in Practical Nursing Program on December 16, 1993, were "pinned" by nursing faculty. The pin inscribed with the AASPN indicates the student has completed the UTTC nursing program. This entitles the student to apply for the national computerized licensure exam to be administered in April, 1994. These students will participate in the formal UTTC commencement exercises scheduled for May 6, 1994.

Those presented AASPN pins were: Marie Bass, Debbie Belgarde, Eloise Bernhardt, Julie Cain, Bridget Defender, Cynthia Fiest, Karen Geiger, Shannon Hodgkiss, Bernice Kessler, Jeanita Martin, Joanie Neuman, Diane Ponga, Mary Ann Preble, Sharlene Schaffer, Wanda Schreiner, Jordan Shiply, Anita Stogner, Mervin Stoltz, Karen Utter and Ruth Yoder.

In addition to nursing faculty, other faculty and staff were in attendance. Ms. Ida Rigley, North Dakota Board of Nursing Nurse Consultant, was a special guest for the occasion.

Freshman students served the dessert and coffee.

CONGRATULATIONS ALL!

Consider the postage stamps:
Its usefulness consists in
the ability to stick to one
thing till it gets there.

Josh Billings
