### WELCOME BACK!!!

Its that time of the year again for staff and students. Orientations, getting housing and room assignments, registering for classes and organizing your schedules for UTETC Fall Quarter, busy at the Day Care Centers and Theodore Jamerson Elementary School (TJES), and the list goes on for this week . . .

And all of us know that the UTETC Pow Wow begins officially at 7:00 p.m., Thursday (September 4th), at the main Arbor with Grand Entry. by this time all the campers and many dancers and singers from throughout the country will be here and those of you who are able to help will have begun your work by Wednesday at 5:00 p.m.

### STAFF ORIENTATION

Theodore Jamerson Elementary School began classes on August 25th and all of the staff have been through their own orientation on August 28th - 29th.

Speakers at the staff orientation included Twila Martin and Bob Hall. Twila Martin spoke on "School Climate" on August 27th and also on "Communications". Bob Hall, a counselor from the Parshall school system led staff discussions on communications and a "We Believe" exercise on improving the school. This program to obtain more ideas from staff and students will continue throughout the year. So we will see more from these resource people.

Chairman of the Board of Directors, Russell Hawkins, spoke to all of the attending staff. He noted the importance of working together, and the continued interest of the board, and, particularly, noted that the board was there to help set major policy rather than become involved in daily activities or administration.

Thanks to the managerial group a number of items were donated for staff drawings which were held during breaks. The grand prize was a star quilt. But here is a list of some of the winners whose names were drawn randomly for prizes:

Ann Kraft - a bathroom set  
Marcella Marcellais - one duck pillow  
Rhonda Schauer - a 35 mm camera  
Mickey Cottonwood - a gift certificate at the Ground Round  
Oscar Wilkie - handmade Chinese comb

This Newsletter is published weekly on (Monday's) for UTETC Staff and Students only. If you have any items of interest, send or call in your article by Friday at 5:00 of each week. Office of Public Information (OPI) Extension 293. Ask for Lynn.

Virginia Murphy - "Spirit" carry-out bag  
Glenda Reemts - kitchen magnets  
Ray Hessling - a watchband  
Vernon Anderson - a tipi incense burner  
Don Fairman - a pair of beaded and quill earrings

And of course, the grand prize - one eagle designed star quilt - went to Wallace "Butch" Thunderhawk.

Congratulations!

The staff orientation was a good success for the beginning of our year. Lets keep up with the program of developing "good sound communications." Together we can build a positive school climate and a place for all those students we serve and make a better place for all those with whom we work!

The next step is to keep the program going, concentrate on our services and skills and take a closer look at how we apply "Reality Therapy" within the Center.
