Dear Friends,

First, I would like to thank the United Tribes for inviting the public to the International Pow wow. I really appreciate your sharing this wonderful experience with us Wasicu, Pidamayaye.

Second, I am wondering if I could subscribe to your newspaper. I feel concerned about all of the Native American people, so I would like to keep informed about what is going on, and perhaps I can contribute some help when there are special needs. As computer programmer, I am not rich, but I often have more money then I need, and I know my life is better in America than the lives my ancestors had in Sweden.

Sincerely,
Krista Anderson
