Elementary children in grades 2-8 will be participating in a program called "Reading Champions" during the month of October. The program is sponsored by the Easter Seals Society & encourages the children to read and earn bronze, silver and gold medals and certificates. The children will be seeking sponsors to pledge money for each book that they read and in this way they will feel that they are doing something to help Easter Seals in the fight against birth defects. An elementary staff member will accompany a group of children to the various buildings on campus October 1 and 2 to sign up the sponsors. We will appreciate it very much if every child who gets into the program can have 2 or 3 sponsors.

The 3rd and 4th grade students have had excellent attendance since school started. Keep up the good work!!!

The TJ girls basketball team has their first home game at 5:00 PM this Thursday, October 2 against Bullhead, SD. All elementary children will be admitted FREE and there will be a 50¢ charge for adults to help defray the cost of refs. Let's get out and cheer for our girls!!!

## SMOKE SIGNALS FROM THE RECREATION DEPARTMENT

- \* Coming up Friday, October 10th, United Tribes "FALL FESTIVAL" will take place. A King and Queen will have to be selected by the usual popular vote, so get some students in mind that you would like to have this honor and nominate them. In addition to this there is the "PARADE" which is always fun for everybody. Its a busy week getting the floats ready and gearing up for the Standing Rock "Suns" football team, whom we will be playing. THEN, there is the Dance in the evening. The last one was a good one, so this one should be a gooder one. PRIZES are awarded to parade float winners.
- \* Remember tomorrow, Tuesday, right after school at 4:15, United Tribes will host a small cross country meet. It is held at the front gate. University of Mary, BJC, and Trinity Bible College will be here. Hope to see alot of staff and students there.
- \* This coming weekend we will rent several Comedy type movies that will be shown Saturday and Sunday, for those that went hard and have low funds. Also if a student rents a movie on their own, there's nothing wrong with slapping it in the VCR and letting everybody enjoy it, too.
- \* Remember, that we also have all kinds of GAMES for student use, that can be checked out. If your bored, get some friends and play a long game. It's an enjoyable way to past time.
- \* Our BINGO set has some numbers missing so it is impossible to hold games. We have them on order and as soon as they come in, the show is on.
- \* AEROBICS class is now scheduled for Tuesdays and Thursdays at 6:30, and Sundays at 4:00. Lets do it.
- \* The flag football team went out for an encounter with Penn State or State Penn (which ever-they were probably same size, anyway). The score was 18 to 6 in a closer then sounding contest which the boys lost. The 10th is our homecoming game, the 17th the team heads to Standing Rock for their homecoming activities, and too boot the team is invited to the banquet and dance. Next, the Oglala Lakota College team will be here for a game on the 24th of October, by then the snow should be flying. Sounds wild and crazy, but why not.

## ATHLETIC NEWS! ! ! !

The "Thunderbirds" soared at the meet at Dickensen State. Don "Groovey" Deputee captured 7th, Dennis Stewart rolled in right behind him, in 8th place, Don McKenzie also got in the top 15 with a 14th place finish. Lastly, Miles Fighter pulled in at 36th, but Miles is conditioning for basketball and still needs to be commended as he wasn't last in the race and improved his time from last weeks by 3 minutes.

As far as where we stand in North Dakota Cross Country against other NJCAA schools, we are number one, according to team scoring both NDSSS and BJC are behind us.
