- * Gene Sandmeier and a few investors are in the process of building a 1880 tourist town and may need employment of some of your people. The program will consist of the following:
12 to 14 businesses within the complex, Gunfights, A musical Program, Exotic animal zoo. A Pony Ride. Old Time Photography and many more.
Because of the theme of 1880 we feel that era had cowboys and Indians so therefore we want a variety of Indian culture blended into our program such as Indian Art, beadwork, leather works, crafts, dances, etc.
The musical show will be basically western theme with perhaps one song with Indian sign language. Perhaps a Hoop Dance. Your organization may also be interested in one of the stores for just Indian crafts and Paintings.
If there is an interest within your organization please contact me at:

OVER----

LOSS OF LOVED ONES AT UTETC - CONDOLENCES:

Over the past two weeks we have experienced the loss of individuals from United Tribes. On September 29th Lorraine Mutchler passed away. Lorraine was a former counselor at United Tribes and was a member of the Three Affiliated Tribes. Her mother Inez Ashes works in the Day care Nursery. Lorraine, age 34, leaves her son Reno, and is survived by her sisters Joanne, Brenda, Dorothy and Carol. Lorraine was a good good friend and a dedicated worker.

Mary Thunder Hawk, TJES elementary school teacher, passed away at age 37 on 10/8/86 of acute leukemia. Mary is survived by her husband, Wallace "Butch" Thunderhawk, and three sons, Frank, Matthew and David and one daughter, Ivy. All are at home. She also has two brothers, James Hatfield, Glen Ellyn, Ill., and Steve, Virginia.

Mary was an excellent mother and teacher. She worked diligently. She was well thought of by the UTETC community, particularly her co-workers and the children at TJES.

John Stone, Sr. (Wasukaewiats) passed away on October 9th and is the father of Joan Estes, TJES Elementary School Principal and Early Childhood Supervisor. John, age 80, is survived by his wife Hazel, three daughters, Ardella, Cleo and Joan, and a son, John Stone, Jr.

John was a past member of the UTETC board of directors in the early 1970's. He was a member of the Three Affiliated Tribal Council in education and housing and was active in the Congregational Church.

Our sympathies and condolences go to all of the members of the families. Each of the individuals served the American Indian community with dignity and generosity in their lifetimes. We miss them and remember them with our prayers and by the examples they gave to each of us.

FROM THE DESK OF MARY LEMCKE, ENGLISH DEPARTMENT:

On October 6th, Mary Lemcke's Vocational English classes had a guest speaker. He was Kevin Hessinger, a nurse anesthetist from St. Alexius Medical Center. Mr Hessinger spoke to the classes on the subjects of Sudden Infant Death Syndrome (SIDS, or "crib death"), on anesthetizing procedures, and on post surgical and trauma pain control.

Jay Couture, owner of Jay's Pawn Shop, Mandan, North Dakota, has donated a television set to the Vocational English area. The students will be using the set to watch news reports, "60 Minutes", "20/20", "The Phil Donahue Show", "The Oprah Winfrey Show", and PGS programs. WE APPRECIATE JAY'S INTEREST IN AND SUPPORT OF OUR ENGLISH PROGRAM!!

Virgil Hill, the Olympic Silver Medalist and pro-boxer from Williston, North Dakota will be at UTETC from 8:00 am to 12:00 pm to speak to Mary's English classes. All interested students, administrators, faculty, and staff are invited to meet Virgil, tomorrow, October 15, 1986 at the Skills Center.
