- # UTETC GRAD AND EMPLOYEE VISITS: Ken James paid a visit to UTETC on November 2 for the first time in nearly two years after leaving as a former member of campus security. James is employed as a police officer with the Rapid City Police Department in South Dakota since July. As a police science graduate in 1979, the 26 year old is working at his new post with enthusiasm and has since passed field training with the police force and is going through additional training at the South Dakota Law Enforcement Training Academy, Pierre, S.D.  
Ken was among the police officers who worked with the presidential motorcade when President Reagan visited Rapid City on October 29th. He is one of six American Indians employed by the force.

Ken James, a 1979 UTETC graduate in Police Science and employee stopped by campus for a brief visit. He is employed by the Rapid City Police Department as an officer. He is a member of the Santee Tribe and has a family of five. He says he has a goal to work more with American Indians through his work. There are some 7,000 Indians in the Rapid City area where Ken is one of six American Indians on the police force.

MORE →

James noted, "One of my goals is to do more work with Indian youth in the schools and communities." He did a presentation with a girls club in Rapid City on safety tips during Halloween, for example: Since leaving UTETC in January 1985, Ken worked at Eagle Butte, S.D., and the Univeristy of South Dakota in security positions before joining the Rapid City Police Department.

Ken says his wife Sandra, who graduated in Human Services from UTETC, will return to work after their youngest son Keldon, age eight months, is "a little older." They have three other children including Kendra, age 6, Kenneth, Jr., age 4, and Kenton, age 2.

He noted that the department at Rapid City is interested in hiring minorities, and urged future graduates to make the effort in places such as Rapid City.

SMOKE SIGNALS FROM THE RECREATION DEPARTMENT! !

- \* Open basketball tournament this weekend. It starts Friday evening at 6:00 PM. It will be an eight team tourney with teams from around the area. There will be four games friday night and action will start Saturday morning and end Saturday evening. Trophies and a little cash will be awarded. All-Stars too boot.
- \* Basketball workouts for the "Thunderbirds" will be at 6:00 PM for the rest of this week.
- \* The Halloween Contest was alot of fun for everybody that was there. Great costumes from the tiny ones to the big ones, however, there really is no need to continue wearing the masks and crazy clothes now that the event is over--is there skills center!
- \* The Pumpkin Contest was also a special event. Thanks to Pam C. and Anna R. the whole affair was successful. Comments about the art work done were ranging from fantastic to remarkable.
- \* Our department will be selling the "Black with Red trim" United Tribes jackets in the very near future. The business we are working with is due to get in a big shipment of the jackets which will get us a low cost. We expect that they won't be over \$30 with printing. If you'd like to order one, please give your name and size to any of the staff here at the recreation department. We would like to get an idea on how many to order. In addition to this you can put lettering on the bottom of the jacket under the UNITED TRIBES, such as, police science, LPN, cross country, etc.

This Newsletter is published weekly on (Monday's) for UTETC Staff and Students only. If you have any items of interest, send or call in your article by Friday at 5:00 of each week. Office of Public Information (OPI) Extension 293. Ask for Lynn.
