SMOKE SIGNALS FROM THE RECREATION DEPARTMENT! ! ! ! !

- \* Sunday Bowling - This Sunday (January 18th) at 11:00 AM a large bus will be rolling toward the Midway Bowling Lanes. It will be carrying several of United Tribes finest bowlers. They will be competing for numerous awards in the art of picking off helpless pins with the black round ball.

Any UTETC student interested in checking it out should be there at 11:00 AM. There will be no charge except shoe rental, (30¢). If your interested sign up with Del Hunt at the Canteen.

- \* It's Super Bowl time. It's time for a little friendly wagering. Our department will be bringing around some pools for the big game. Give it a whirl! It makes the game much more interesting and fun to watch.
- \* Women's Basketball- Once again those female hoopers that want to play the game need to get with John T Hawk. One hour work outs will begin immediately. The team will be playing several games and in at least two tournaments. This year our department will be hosting the AIHEC national tournament here in Bismarck, and we will be expected to enter a good team.
- \* PEP SQUAD - Shortly, our basketball team will not be cheerleaderless. Uniforms are expected in next week. When they arrive some of our sparkley young women will don the flashy garments and lead an organized verbal chorus. Wanted are some real crazy kind of guys and gals to help out. It cud be fun. So if your the wild and crazy kind, gather together and help out the cheerleaders!
- \* Men's intramurals are ready to begin. Teams are formed and the schedule for games will be posted. And let it be known that the staff team is ready to rock and roll.
- \* Staff Volleyball - To begin this Thursday at 6:30. Don't be shy. Don't be sly. Give this a try. Last year staff volleyball went good for a while. Might as well try it again. Be there, don't let that dust continue to collect on those sneakers.

SPORTS NEWS! ! ! ! !

Last night, the "Thunderbirds" started slow but soared as the game heated up and turned the team from Devils Lake (NDSSS) away with a 82 to 75 victory. The game brought smiles to the supportive crowd with exciting play. The best crowd of the season was there and really helped the team.

This coming Friday night will be the next home game. The team will be playing Williston at 7:30, another tough team from the North Dakota Junior College circuit. Also there will be a preliminary game featuring our reserve against the Standing Rock College "Suns". So if you like basketball, its to be had this weekend.

Sunday Miles City comes for a rematch. This game will also begin at 7:30.
