The 1986-87 school year has been designated as the National Year of the Teacher and more specifically, January 28, 1987, has been declared as "National Teacher Appreciation Day" by President Reagan. The date of January 28 is in honor of Christa McAuliffe who died in the Challenger accident on that date in 1986. Take time to think about what all teachers do for us and to thank our TJ and UTETC teachers.

We are very proud of our TJ students who participated in the program last Monday night honoring the life of Dr. Martin Luther King. If you were unable to be there, you missed a very nice program.

TJ parents who had conferences scheduled for last Wednesday, please note that your conference will be this Wednesday, January 28 at the same time. Also, anyone who had a conference with Mrs. Two Horses scheduled for last Friday, those will be this Friday at the same time as previously scheduled.

- * Starting January 25, 1987 Theodore Jamerson Reading Is Fundamental (RIF) project starts on a two-week reading campaign to make leisure reading a family affair. Children -- and parents, too -- will be encouraged to set aside time each day for recreational reading.

"In Celebration of Reading", as the campaign is called, works like this: Students who read for a specified time over a two-week span get to enter their names in a local RIF Reading drawing. The young person whose name is drawn will be honored at a special ceremony at TJ on Friday, February 13th. The winner's name is also entered in a national drawing that will be held April 2 in Washington, D.C. to select the National RIF Reader and 10 runners-up.

"In Celebration of Reading" features an exciting array of prizes: the National RIF Reader (with parents and RIF site coordinator) will be brought to Washington, D.C. for Reading Is Fun festivities in April. The winner will also be awarded a collection of books and a \$500.00 U.S. Savings Bond. Assorted other prizes will be given to the runners-up. Our winner from TJ will receive a prize from our RIF assortment plus book marks and certificates.

Please encourage your children to work on their leisure reading, especially during this two week period. Any questions, please call - Glenna at Ext. 306.

SMOKE SIGNALS FROM THE RECREATION DEPARTMENT!!!!!!!!!!!!!!!!!!!!!!

- * Our Department will again be ordering the "United Tribes" jackets. Our last order of 32 jackets were gone in less than a day. These are the black jacket with red trim on the collar and cuffs with the lettering and feathers on the back. If you want one, please see any of the recreation staff with your size. These jackets will cost \$35, a little more than the last batch but they will be better.

Last chance! Those students who purchased jackets around Xmas break and the lettering is coming off must turn them in immediately for re-lettering. If you don't get them in now we won't be able to fix them.

- * Intramurals are scheduled for tuesdays. We need more teams. Get a crew together and do it to it.
- * AEROBICS - For those that forgot! (Or what!) We are still offering this good physical activity for everybody on Tuesdays, Thursdays, and Sundays at 6:30. This activity is kind of for our women folk but we do have free weights and a universal machine for the young men too.
- * Staff Volleyball - Held every Thursday at 6:30.
- * BOWLING - This Sunday at 10:30, the Tribes bus will be loading UTETC students for another whirl at bowling. This available to all students at no charge. See you in front of the Recreation building at 10:30 if you want to flame on the lanes.
- * This friday at 6:00 PM we will be sponsoring a pool tournament for both Men and Women. Cash prizes for the winners and runners-up in both divisions. Low on Cash? Enter up!

SPORTS NEWS ! ! ! ! ! ! ! !

- * The Thunderbird basketball team record now stands at 9 wins and 14 losses. This Saturday we will be having a home game with National College. The game will be played at 1:30 PM, not at 7:30 as scheduled. Please pass the word and be there for support. This team is one of the best we play all year.

The reason the game has been moved up is that University Of Mary will be playing Valley State College at 7:30 and it presented a conflict. Now our fans will be able to go to our game and go to watch Valley City, who feature two of our former players, Val Finley and Perry White Owl.

- * Our Women's team is now in action. They played their first game against Trinity Bible College and made a very good showing for having only practiced 8 days. Their next game is against Standing Rock College as a preliminary game to the University of Mary (JV) here at home. The game will start and 5:30 fo-lowed by the Men's game. Thats this coming Tuesday, Feb. 10th.
