### SPORTS NEWS!!!!!!

Monday night both the women's and men's team made a rugged trip to Ellendale, ND to play Trinity Bible College, the girls started out good but conditioning began to show and Trinity eventually took them out. The fella's had an exciting game, winning by one point, 84 to 83.

NOTE TO TEACHERS: The trip to Ellendale for the game with Trinity Bible College took much longer than expected because of bus speed which was 45 to 50 MPH, and sometimes 20 to 25 MPH, this being the case, with a game coming up, team members were told they could rest until 12:00 NOON. We got back at 3:15. We should have been here around 1:00 AM.
