The American Indian Higher Education Consortium (AIHEC) is holding its annual conference in Missoula, Montana, April 14-17. United Tribes is a member of this group of Indian colleges known as AIHEC.

One of the activities which AIHEC sponsors is an annual basketball tournament which will be held this year in Bismarck, ND, March 19, 20 and 21. United Tribes will co-host this event.

Another activity sponsored by AIHEC is a college bowl. This will be held at Missoula, as mentioned above. This is academic competition between the colleges to see who gets the smartest team of four students. This year there will be two divisions of competition, business and cultural.

Last year our student team which represented United Tribes did extremely well, finishing second at Rapid City, SD. This year we want to be number one. We will be holding campus competition this year to see who goes to Missoula. If your interested look for more notices coming in March for UTETC competition.
