**To UTETC Staff:**

From Joyce Barr

Wow - "What a Heart Pounding Surprise!" After the Initial Shock wore off I felt really honored to be remembered by the staff here at UTETC for my 10 years as an employee in the Chemical Unit program. Many thanks & everyone who contributed in any way - all of you made this day a very happy one for me!

**Recreation:**

The Thunderbird cross-country team placed third in the Bismarck Classic held Oct. 9, 1987. The Thunderbirds placed behind Minot State, Univ. of Mary all four year schools. Placing were: Vernon Woodhull 3rd place, Marty Ovah 14th place, Brian Starr 15th place and Robert Baker 16th place. The Thunderbirds have been doing quite well considering they have been competing amongst four year colleges. The Thunderbird thinclads are reading themselves for the regional meet to be held in Minnesota the 31st of October.

The thinclads are very optimistic of their chances in the the regionals. With the competition they've been seeing throughout theyear the Thunderbirds should be competitive at the regionals. The Thunderbirds are led by Vernon Woodhull followed closely Marty Ovah, Robert Baker and new recruit Brian Starr. With the mixture of students the team doesn't hesitate to pat each other on the back and really pull for one another. The coaching staff strongly congratulates these fine young Indian men they are truly leaders from their home reservations, and for United Tribes Technical College.

Look for more exciting news concerning the thinclads from the regionals we hope to send someone to the nationals that would be a great feat and prove very prestigious for our school.

The United Tribes flay-football team was victorious this weekend on the road to Fort Yates, where we played the Standing Rock College football team. The Standing Rock team scored first, with the score 8-0. Then for United Tribes, they came up with an interception that resulted in a score for them. After that it was all United Tribes with another interception and score, we were ahead 14-8. Then we marched down the field and scored again, and the final score was 22-8. We destroyed their homecoming celebration and they will be coming up Friday for our fall festival game. Come and support the team for Friday's game. The parade will begin at 1:00 p.m. and the football game against Standing Rock College at 2:00 p.m.
