Student Senate Minutes

October 20, 1987

Present:

Beatrice Raygo, Pres.
Dayton Seaboy, Vice Pres.
Johnna Blackhair, Secretary
RoAnn Little Light, Treasurer

Albert Gros Ventre, Rules and Rights Officer
Ray Dwelle, Financial Aide
Security Rep.

Student Senate requests an extention until further notice about the insurance the Security requires. Be explained to Security that students could not buy insurance because they don't have money to buy insurance.

Security explained that they file accident reports through Bureigh County and they are in charge of all cars on campus and it's their responsibility to let city know off all cars without insurance. UTTC Security deals with Federal and State law. Without insurance it will be State will accumulate pts. on drivers record or many pits. you will receive suspended drivers license. If you have no insurance Security has the right to impound your car.

Discussion - Important for students to have insurance on their car(s) because their car is an investment.

Impound - Transportation towing fee is \$30. If you drive the car over yourself it is free.

Students have one (1) week to buy insurance. One week from Wed. Oct. 21 to get your insurance.

IF FAILURE TO GET INSURANCE IT WILL RESULT IN LOSS OF LICENSE

Beatrice asked if insurance person could come over on pay day and sell insurance to students.

Ray Dwelle will come up with a person. He will call to see about having him here on pay day.

Discussion on rates from state to state.

Beatrice discribed the responsibilities of all officers.

Memo of all meeting should be posted.

In the student body meeting tell what Student Senate plans to do.

Someone on from Student Senate on Housing Inspection Committee

Send Memo to Casey Fox so Albert could sit in and learn from the Hearing Panel.

We talked about abandoned children and possible answers.

Student Senate budget is \$4,000.

We will make revisions of the Preamble, Constitution and By-Laws.

New officers are to be elected each fall/new academic year. These people should be able to communicate to people and have a high G.P.A. also excellent attendance.

Meetings will be designated for Tues. and Thurs. at 3:00 pm in building 61 twice a month.

If a member of the Student Senate is unable to attend, please put your reason in memo form.

We also want to change the nomination procedures.

I nominate _____ seconded by _____.

I close the nominations.

Dayton asked if we had Members at Large with voting status (other than the Student Senate).

Class representatives and Student Senate should not violate the rules and regulations in the Student Handbook. These people will be removed if they knowingly violated these rules.

Counselors should be involved in Student Senate meetings.

Treasurer - Weekly budget check.

Request of staff, administration for presents during meetings if available.

We talked about getting a Yearbook/Newsletter started.

We will follow the agenda and if someone wants to be heard you will properly present yourself and situation to the Student Senate by requesting time on scheduled in memo form.

Dayton and Albert are revising the MS. UTTC competition and want to have Ms. Indian America crown her during the NIEA Pow-wow on Oct. 30 or 31.

A chaparone/advisor will be needed to work with Ms. UTTC. Ann Sward Hanson sponsors various programs such as the AIHEC and logo programs. She will be here on Monday, Oct. 26 and we will present her with a token of appreciation. (samples have been requested from Mike Alcott)

We talked about a commission on UTTC Indian emblems/designs on T-shirts, caps, etc...

NIEA Conference - get names of students interested in registration.

Bea called Carol Ann Heart to see if possible to name the New Miss UTTC. Princess' Braves. Dr. L. DeLong suggested that Ms. Indian America crown the new Ms. UTTC. Joan said the Jr. and Mini Comp. should be selected from the same panel of judges as Ms. UTTC. Dayton read requirements and eligibility also expectations, reign and selection.

We went on the subject of head lice.

Bea said "lets get our heads together and try to help each other out".

Steps need to be followed, the children need to be screen thoroughly. Everyone needs to help out. Treatment: shampoo, bedding etc. should be washed and all combs and brushes need to be washed in hot water of lysol solution, if all steps are followed the problem should be taken care of.

The students that are cleaning are more caring then the Student Health Center, is there a break down in the recheck? It is suggested that parent volunteers help clean in the Student Health Center because they need help in there. There are just too many children that have lice. Joan asked "Who is going to do the screening on the parents, lice is not just limited to children".

Dr. DeLong said "Ruth does a thorough job, if she received the super fine comb to remove the lice she could get a lot done in a short time.

The elementary students need to put their coats and things in garbage bags and they also need to stop the children from having sleep overs. The UTTC students have gotten information on lice, they should know how they should take care of it but some students give answers such as, "I don't have time to do the cleaning", required to get rid of the head lice. That's child neglect, the parents should be told that it is child neglect. It has been suggested that the parents get taken out of school to shampoo and take care of their children and not be allowed to go back to school until this problem is taken care of. It was said this is a family problem why make some one else responsible for their head lice.

Al from the cafeteria said "food is going to waste". He also said he didn't mind that students wanted seconds, but not until the staff is through the line, and most of the salad bar is going to the garbage. He estimated that \$10,000 a month is being spent on meals from separate funding from the school. The students should be getting enough the first time through the line. Albert said in the evenings the guys want seconds but you have to wait until everyone goes through before they can get seconds, by that time it's pretty late. Most of them get hungry after practice too. They can give out seconds if they feel they have enough left over. Dayton asked if it was possible to have a snack bar, and they could buy their own.

Larry suggested that the canteen be open during the winter time and during lunch. Loretta DeLong said that can't be done during lunch because meals are prepared and are preplanned they are nutritional and it is the average daily diet. It is not consistent with the USDA standards, and the snack bar is usually not part of the school. Students should be allowed to have seconds and the students that come late should know that they should be there earlier so if they want seconds they could be given seconds. She also said the canteen is possible only after hours. Maybe after school is out, not at the same time as the cafeteria is open. If so Student Senate should be in charge of it, and keep it open a certain number of hours per night.

Kathy talked about Business Clerical Graduation in Nov. Dr. DeLong said "there will be no second graduation, the students will be allow to leave with a certificate but if they do they'll have to leave campus too, or stay until Dec. if they want to graduate with their class."

Larry talked about getting a gift for Ann Sward "Lyla" when she arrives here at UTTC. We looked at some items from Mike Alcott and decided on the painting, but we would have to pay for the frame too. He made the original for her but wanted to make copies and notarize them to make money. He wanted to permission for reproduction to make card and prints from the painting he made for Ann. We were to give her the painting at the cafeteria at 3:30 pm

The amount each organization gave was:

- \$60.00 Student Senate
- \$50.00 AIHEC
- \$50.00 John T Hawk, Activities fund
- \$160.00 Total

Which was paid to Mike Alcott.

RoAnn met with Ray Dwelle and told him she didn't want any money taken out of the Student Senate fund which is \$4,000. The \$40 the vocations received comes out of each of the vocations funds.
