The UTTC "Roving Reporters" have sent the UTTC Newsletter the following news report on the NIEA Conference held in Bismarck from October 27-31:

The National Indian Education Association Conference was recently held in Bismarck. Indian teachers, administrators in education, counselors, and leaders from tribal, state, and national organizations attended from all over the United States. A total of 72 registered tribes participated in the Conference, and tribal leaders from as far away as Alaska came to Bismarck.

The theme of this year's Conference was "Strength of the People--Enriching the Circle".

Although the Roving Reporters attended only two of the Conference events, we heard from many of our peers that the whole Conference was a huge success.

As part of the NIEA Conference, Anne Sward, the star of the popular daytime soap opera "As the World Turns" arrived on the UTTC campus. United Tribes students and staff had the opportunity to meet the star and visit with her at the school cafeteria. Those who attended enjoyed coffee and cookies with Ms. Sward. The refreshments were compliments of the Food Services students. Ms. Sward explained that she is the Chairperson for a fund-raising drive that is currently going on for a scholarship program; the scholarship is for any students in any Indian college. She also described a "logo contest" associated with the fund drive. Any Indian artist is invited to participate. The drawing for the winner and runners-up will be in New York City.

The students who attended the reception for Ms. Sward asked about the soap opera and the scholarship that will be awarded. Ms. Sward stated that people in the east still think that Indians hunt buffalo and live in teepees! She confessed that one of the reasons that she visited here was to see for herself if this is true!

Ms. Sward signed autographs and had pictures taken with various students. She was presented with a very beautiful shawl, compliments of the UTTC Student Senate.

The UTTC Roving Reporters attended the NIEA Pow Wow, which was held at the Bismarck Civic Center. A total of eight drum groups registered; the three singing drum groups that took home all the money were all from Ft. Berthold. First Prize went to the Oakdale Singers from Mandaree; Oakdale beat the Mandaree Singers only two points. The Mandaree Singers won Second Place, and Third Prize went to the Eagle Whistle Singers from Mandaree.

The champion dancers from each category were:

- Men's Traditional - Ben Lovejoy, Ft. Totten, N.D.
- Men's Fancy - Todd Redbear
- Men's Grass - Darryl Goodwill, Carlyle, Sas., Canada
- Women's Traditional - Dawn Decora, Rapid City, S.D.
- Women's Fancy - Prairie Rose Little Sky, Kyle, S.D.
- Men's Team Dance - Clyde Bearstail Team
- Ladies' Team Dance - Orian Baker Team

There was also a Halloween Masquerade in association with the NIEA Pow Wow.

Overall, it was a good Pow Wow. It was really good to see all our friends and relatives. The dancing ended as the Oakdale Singers sang the travelling song. Many thanks went out to Mr. Henry Greencrow, Mr. Pete Coffy, and Mr. Elmer White for doing the announcing

Mr. Joe Many Bears, Men's Traditional Dancer at the NIEA Pow Wow. Joe is a former student of UTTC.

For those of you unfamiliar with the project, a UTTC staff member or student may choose a K-8 grade TJ student to sponsor with a Christmas gift. Some of the guidelines for sponsoring a child are:

1. Please no food or candy gift items.
2. Try to keep the cost of your gift to no more than \$10.00
3. Please have your gift brought to the elementary school no later than December 14th. We have set December 16th as distribution day after the children's Christmas Music Program.
