The Bismarck - Mandan Urban Indians extend our grateful appreciation to the following staff at UTTC, to President Gipp, Secretary Verzella, Security, Maintenance, OPI and last, but not least the Janitor at the Gym.

Our New Year's Eve party was a great success. We re-kindled old friendships and made new friends. It is said: Laughter is healing, if so, we should all feel really healthy for we all shared alot of laughter.

Thanks to everyone and may your new year be as happy as ours.
