TO THE STAFF AND STUDENTS OF U.T.T.C. from Mary Lemcke, English Instructor:

In the February 9, 1988 UTTC NEWSLETTER, Bea Raygo, LPN student had written an article based upon an interview with Al Stockert. I enjoyed that article so much that it gave me an idea for other articles about staff for the NEWSLETTER. I thought perhaps other staff and students would enjoy short biographies of UTTC Staff, especially the new ones. We see people every day, yet all of us have some interests and background information that most people aren't aware we have. Therefore, I will be doing several short biographies on staff, starting with several NEW faces at UTTC.

This week's biography is on RICK BLEICHNER. Rick is new this academic year. He teaches Phy. Ed classes to the adult students and he is also the Theodore Jamerson Elementary Basketball Coach. Rick's hometown is St. Cloud, Minnesota, but he moved to Bismarck from Valley City, where he lived before he began working at UTTC.

Rick is a Volunteer Fireman and EMT on the Valley City Fire Department. He enjoys hunting, fishing, all sports, and coaching.

Continued

Rick graduated from Moorhead State in 1987. He states that he enjoys teaching and coaching because he's fulfilling a long-term goal of teaching and coaching at the college level. Rick is married; his wife's name is Janet.
