**NEWSLETTER**

VOL. 10. NO. 1.

DATE: August 26, 1988

WELCOME BACK!! WELCOME BACK!! WELCOME BACK!! WELCOME BACK!! WELCOME BACK!!

To all the administrators, faculty, staff, and students who have returned to UTTC for the Academic Year of 1988-89, after the long, hot summer of 1988, we say: WE'RE GLAD YOU'RE BACK! To all the NEW UTTC faculty and staff and to all the NEW UTTC STUDENTS, we say: WE'RE GLAD YOU CAME TO UTTC!! "Here's to all of us: May we have a great year, working, learning, growing, and enjoying 1988-89 together, UNIFIED in a single purpose. . .to help one another achieve our individual and group goals for the year." There really are very few difficulties we cannot overcome if we work TOGETHER and if we keep the lines of communication open to one another.

\* \* \* \* \*

*This is the first copy of the United Tribes Technical College Staff/Student NEWSLETTER for the academic year of 1988-1989. The NEWSLETTER will come out to all staff and students every week.*

*ALL STAFF AND STUDENTS are invited to become part of the NEWSLETTER. This campus paper can become a link to all areas on campus, so that all UTTC staff and students can be made aware of events, opportunities, and activities that are scheduled for the UTTC community.*

*Yes, we actually ARE a little community "out here" at "Tribes". Every community needs a "PIPELINE", so that everyone knows what's going on. The UTTC Staff/Student NEWSLETTER attempts to be that "pipeline". As we are all part of our "community",*

*we can all be part of our newspaper as well! The UTTC Staff/Student NEWSLETTER serves our community's "need to be informed". It is not the monopoly of a single person or area, but belongs to everyone at UTTC.*

NOTES FROM THE RECREATION DEPARTMENT: "To All Staff and Students"

"NOW HEAR THIS!!!". . .you are cordially invited to participate in the many activities that the Recreation Department has brainstormed for the increased wellness & enjoyment of UTTC Staff and Students. There are activities for the athletic. . .and the not-so-athletic. . .the purpose of these activities is for all of us to get together to have fun. There are facilities here for all of us to use and enjoy, and Recreation is trying to re-vamp and improve them all the time for your use.

It is a fact that many businesses and organizations are providing more and more facilities for their employees to get together to exercise, compete against one another, and have fun because the total-wellness approach has increased productivity and morale. . . and in many cases, reduced time lost from the job because of illness.

It is also a fact that modern research and medicine are realizing that the human being is a WHOLE made up of body, mind, emotion, and spirit.....an idea that was one of the fundamental beliefs of Indian religion and culture for centuries before science and technology CAUGHT UP WITH THE IDEA. Modern medicine acknowledges that stress creates many aches, pains, and illnesses, especially in our stressfilled complex world today. Exercise and relaxation in the company of friends and co-workers REDUCE STRESS. People are becoming more and more aware of the benefits of walking, swimming, flexibility exercises, aerobic exercises, etc. etc. There was a time when only the die-hard, muscle-bound "Jock-Type" could be seen running or working out. Now, one has only to walk around on any street in Bismarck or Mandan to see many people---old, young, fat, slim, short, tall, male, female, children, or adults WALKING PURPOSEFULLY.....many of them "wired for sound" with Walkman radios!

Recreation is providing several competitions, activities, and classes for staff and students to JOIN IN.....TOGETHER. You don't have to be a "SUPER JOCK" for our activities!!!!

Sign-up sheets are available at the gym for the following activities: Co-Ed Intermural Soft Ball, Co-Ed Intermural Volleyball, Pool Tournaments, Weight-Lifting, Aerobics, Walking, Running, Bicycling, Bowling, and Intermural Ping Pong. Some people like TEAM ACTIVITIES. Some people would rather WALK ALONE to sort things out and do some quiet thinking outside in the fresh air. WE HAVE ACTIVITIES TO SUIT ALMOST EVERYONE!

The Recreation Department has started The UTTC Walking and Running Club for those of our staff and students who don't care for the "gym-scene". A walking and running course is being set up around the outside boundaries of the United Tribes Campus. This course will be marked; the course is approximately one-and-a-half-miles. Club members will be walking or running for prizes. The number of miles walked or run and the prizes awarded for those miles will be published in the UTTC NEWSLETTER when they are decided. There are already approximately ten people signed up for this activity.....and it looks like the competition is going to be CUT-THROAT! For more details on the UTTC Walking and Running Club, please contact the Recreation Department: EXTENSION 261 for John T., Kenny Hall, or Don Medicine Horse.

The staff of the Recreation Department would welcome any suggestions that you have.....staff and students.....of activities that you would like to see at UTTC, that you could like to do. CALL. . . OR STOP IN AT THE GYM!!
