THE NEWSLETTER WILL BE OUT EVERY WEEK ON FRIDAY.

In case you are wondering why the NEWSLEETER is now being printed on letterhead, here's the explanation: in 1988, United Tribes Technical Center became United Tribes Technical College. All official letterhead used by the college now says COLLEGE and that left a lot of old, out-dated letterhead lying around in the Printing Office. The excellent suggestion was made by Terry Lewis in Printing that the old letterhead be used for the NEWSLETTER, to use it up, instead of wasting it. So, the NEWSLETTER will appear on old letterhead for about nine more weeks.

I would like to take this opportunity now to thank several people for their help on the NEWSLETTER: Thanks to Wanda Thomas for all her suggestions, her borders, ideas, etc. for the NEWSLETTER. Wanda has been the one laying it up every other year, but we decided to have me do it this year since the NEWSLETTER articles were coming through the English Department most of the time anyway. . . Thanks to

"THUNDERBIRD"

SMOKE SIGNALS

FROM

THE RECREATION DEPARTMENT

The fall Co-Ed Softball League got off to a blazing start on Tuesday, August 30th. Thirty-five students made their autumn activity DEBUT along with twenty-five staff members in the three games played at 6:30 PM.

In the opener, Don Juan's "SLASHING HORSEMEN" slashed Kevin and Roger's "RABBITS" with the score of fifteen to seven. Six home-runs were blasted in this game!

The Hawk brothers' "HEAVY DUTY HITTERS" spanked Melody's "WAGON BURNERS" by five big ones, ten to five. Five home-runs were slammed in this second game!

In the grand finale, Marshall's "WOOD CHISLERS" took advantage of several errors committed by Ken's "KOOL KLAN", defeating them fifteen to four. Ken commented after the game, "HONEST, it was the lighting!" (There was none!)

We would like to remind all players to be at the field ON TIME so the games can start ON TIME. . .that's 6:30 SHARP! If you are not certain of when you play, call the Recreation Office and confirm a time with John, Ken, or Don. We would love to see more staff members show up for these activities. More ladies are also needed to even out the teams, so come on out next Tuesday, Sept. 6th. IT SURE WAS FUN!!

A Memorial Roping Contest was held the weekend of August 27-28, 1988, on the Little Soldier Ranch, which is located on the Fort Berthold Indian Reservation. The Roping was held in the memory of the late Nathan Little Soldier.

Just over a hundred ropers showed up for the annual event. They competed for prize money and trophy buckles, and for trophy breast collars.

One of the cowboys competing in the Memorial Roping was DALE HALL, a student at UTTC. Hall placed second and took home prize money and a trophy breast collar for his horse.

We would like to congratulate DALE HALL and encourage him to continue to do well in his sport!
