SPONSOR A CHILD FOR CHRISTMAS!

One of the traditions at UTTC has been the "Sponsor a UTTC Child for Christmas" every year. What this means is that any staff person who would like to buy a gift for a child attending Theodore Jamerson (K through 8th) is invited to do so. You may choose whether you would like to buy a gift for a boy or a girl. The children open their gifts before school is dismissed for Christmas at a Christmas party. The children love this tradition, of course, and anyone who has attended this party remembers it as a highlight of the year. Christmas is very special for children, and seeing the children open their gifts and enjoy them is very touching.

If you are interested in finding out more about this idea, please contact Letitia Stewart or Joey McLeod. Letitia can be reached by dialing "O" at the Campus Switchboard

and Joey's extension is 228.

WELCOME BACK! WELCOME BACK! WELCOME BACK! WELCOME BACK! WELCOME BACK!

THE ADMINSTRATION, FACULTY, STAFF, AND STUDENTS OF UNITED TRIBES WELCOME BACK BERNADINE (STANDING BEAR) RED BOW TO WORK!!! IT 'S WONDERFUL TO SEE YOUR FACE AGAIN, ERNADINE!

Bernadine made medical history recently; the surgery removing her kidney to be transplanted to her brother was the first surgery of its kind performed in Bismarck. Everyone wishes Bernadine and her brother good health and much good luck. We were all thinking of you during the surgery and praying for you, and we're glad you're back.

While "Tribes" was rejoicing in the return of our friends, Charlene Laschkewitch and Bernadine Red Bow, the staff and students also welcome a NEW face to the "Tribes" staff; MS. DARLENE KEPLIN is now working in the Education Building to keep the place shining and clean! And she's been doing a wonderful job; there are indications everywhere in the building that Darlene HAS BEEN THERE, polishing, vacuuming, re-arranging, and organizing. Welcome to UTTC, Darlene!

There will be a Blood Drive on the UTTC Campus on December 1st, 1988 in the gym, from 9:30 AM until 1:30 PM. PLEASE PARTICIPATE IN THIS BLOOD DRIVE IF YOU ARE ABLE TO DO SO! More information concerning the drive will be given to students the week of November 28th through the 2nd of December.

FOR SALE: Used IBM Selectric II typewriter in excellent condition. Asking price is \$100.00. Please inquire at the UTTC Library or call EXT. 282.

On October 1, 1988, the Nursery and Pre-school staff attended a workshop in Fargo on the subject of "Early Childhood". We left at 6:15 AM the morning of Oct. 1st. On our journey, we took pictures in the bus, at West Acres Shopping Mall in Fargo, and while we were having lunch.

On our way to Fargo, we stopped at McDonald's in Jamestown for breakfast and there we saw Dr. Minhas and his wife (Dr. Minhas was one of the Vice-Presidents at UTTC for several years, and his wife was a librarian in Ft. Yates.) They, too, were "just passing through town" and we took their picture, too

The workshop was great. We had the chance to take in various presentations

and to purchase supplies for our areas as well.

I want to thank all the ladies who attended the workshop; I know it was hard to "give up" your Saturday, but I feel that it was worth it.

TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA!

Remember how in the last issue of the newsletter, lois lane complained because no students were participating in the trivia contest? Well, all that is changed, we are pleased to report.....because two students won the trivia contest in the last issue...... In fact, the last trivia contest was the most successful one because we also had three staff who were winners! Lois lane loves winners!!! The subject for last week's trivia contest was Virgil Hill obviously he's a popular subject because the response to the contest was immediate and many people played the game. In fact, people played the game SO FAST that it was darn near impossible to separate the winners! Callers responded within seconds of one another. The three staff who won a 6-pack of Coke products were: KATHY ALLER, BEVERLY DAVIS, AND MADONNA BUSCH. Students who won were: DAVID LAFROMBOISE and ROBIN SMITH. Answers that come within one or two seconds of one another are impossible to call, so lois waits until there is a gap in the calls, then names the first one...or two...or three people who call the winners. Having several winners is a lot more fun than having no winners at all!

Since Virgil was such a popular subject last time, Lois decided to ask another series of questions about Virgil in THIS WEEK'S TRIVIA CONTEST! This week's Trivia Question is also in several parts; you must answer all parts correctly in order to win. Here is the question: 1. At what weight category did Virgil box in the 1984 Olympics when he won the Silver Medal? 2. At what weight category is Virgil boxing now as a professional? 3. In what city is Virgil currently living and training? 4. What is the name of the great boxing trainer who took an interest in Virgil and began training him right after he won the Silver? 5. And what is the name of Virgil's current boxing

trainer?

ALL STAFF AND STUDENTS OF UTTC ARE ELIGIBLE TO PLAY NEWSLETTER TRIVIA. Call Lois Lane at EXT. 227 with your answers. If you have already been a winner at Trivia, you cannot play for four weeks after your win in order to give others a chance to play and win. GOOD LUCK!
