**NEWSLETTER**

VOL. 12. NO. 3.

DATE: SEPTEMBER 18, 1989

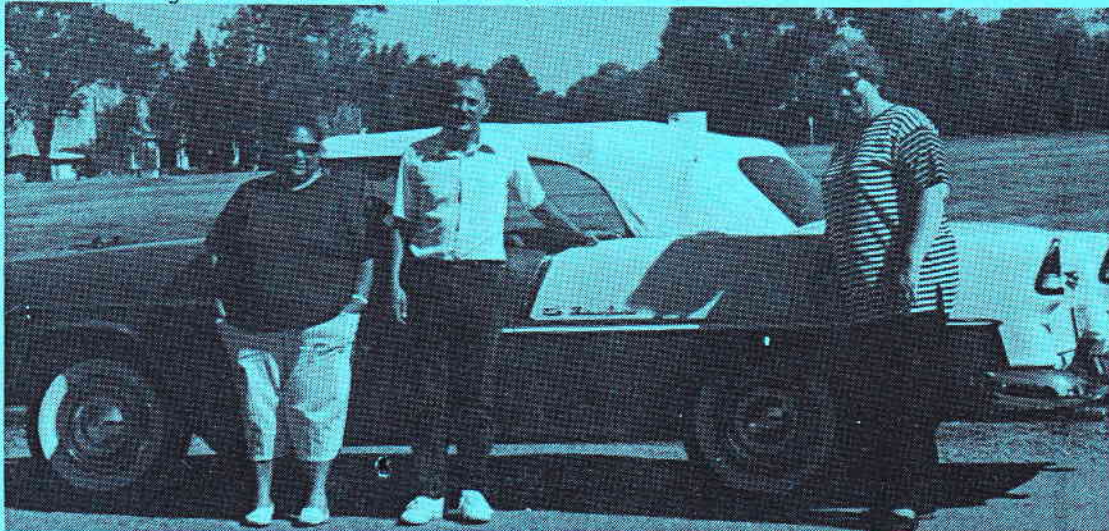

One of the events that frequently occurs on campus at United Tribes Technical College is the return, periodically, of people who have attended the school or who have worked here. These events are happy occasions that spark conversations about "OLD TIMES".

It is the intention of the UTTC STAFF/STUDENT NEWSLETTER to report these occasions as they happen, because people who are attending school here or who are working enjoy hearing about their old friends.

One of the faculty who returned to United Tribes this past summer was former CARPENTRY INSTRUCTOR, BRAD GOELLER. Brad "came visiting" in his classic Chevy, upon which he had spent a number of years and a few dollars restoring by hand. Those of us who saw Brad had the pleasure of a ride around Bismarck in that beautiful old Chevy. Heads turned as we passed by, and for a few hours, we felt like British royals, waving from windows and answering friendly horns!!

Pictured below are Brad and the Chevy....with friends (on the left) ANNA RUBIA, the Principal of Theodore Jamerson Elementary School and (on the right) ANN KRAFT, Secretary to the Vice-President Bennett Yellow Bird. Not pictured is the photographer, MARY LEMCKE, English Instructor.

Brad is currently working in California. THANKS FOR THE RIDE, BRAD! Come back to see us again soon. BRING THE CHEVY!

TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA! TRIVIA!

"YES, VIRGINIA...THERE STILL IS NEWSLETTER TRIVIA!" And, yes, Readers, we still have many of our "Killer Trivia Players" "OUT THERE ON CAMPUS".....players like MILO, who can rattle off answers faster than Lois Lane can write 'em down! and CHARLENE, who is "THE SOURCE" here on Campus (librarians ALWAYS have lots of answers...didn't you know that?!) and RED, whose cover is as a driver and master mechanic in Transportation but who REALLY IS..... but I don't dare go on.....!

BUT ENOUGH OF ALL THIS TALK.....HERE IS THIS WEEK'S TRIVIA QUESTION, for a 6-pack of Coca Cola (answer all three parts): 1. Heavyweight Champion of the World Mike Tyson is scheduled to fight to defend his title soon; WHAT IS THE NAME OF HIS OPPONENT for that fight? 2. What is the name of the controversial (and very flamboyant) manager of Mike Tyson? 3. What is that manager known best for...specifically a matter of his appearance that draws attention to himself and makes him pretty obvious in a crowd?

CALL LOIS LANE'S EXTENTION NOW WITH YOUR ANSWER! Listen! This is an EASY TRIVIA THIS TIME! Better win today, because it will not be this easy NEXT WEEK!!!

DID YOU KNOW!? DID YOU KNOW!? DID YOU KNOW!? DID YOU KNOW!? DID YOU KNOW!? DID YOU KNOW!?

THE UNITED TRIBES STAFF/STUDENT NEWSLETTER is introducing a new column with this September 18th issue. The column is entitled "DID YOU KNOW!?", and it will feature fascinating bits 'n pieces about our staff and students.....information NOT GENERALLY KNOWN, but of potential interest to the readers of this NEWSLETTER. Every one of the people attending United Tribes and everyone working here has some interesting hobby, interest, or talent that very few people know about.....and which would be a surprise to many of us.....for example, DID YOU KNOW that BUTCH THUNDERHAWK, of the UTTC Cultural Center has been in softball tournaments in the state and throughout the USA for more years than most of our students have been alive!? (Sorry, Butch!) For example, last year, Butch and his team went to St. Joseph, Missouri. This past summer, Butch was an infielder for the Bismarck Wood House Team. His team was the host team in the ASA Men's Masters 40-Over Fast Pitch Tournament, at Bismarck's Clem Kelley Diamond Complex. Butch's picture was even in the BISMARCK TRIBUNE, but he wouldn't let me use it for this column! In fact, the BISMARCK TRIBUNE frequently features sports bits from 10-25 years back, and Butch's name has appeared several times just in the past three years in relation to his superior and long-term athletic abilities. In addition to Butch's work as a world-class artist and staff person at UTTC's Cultural Center, Butch has also coached various teams at the school.

AND DID YOU KNOW that Butch Thunderhawk's artwork was selected by the North Dakota Centennial Commission as THE OTHER LOGO for the North Dakota Centennial? Butch's work is seen by every person who buys the commemorative centennial bottles that Coca-Cola produced this year for North Dakota's 100th Anniversary.

TO THE READERS OF THE UTTC NEWSLETTER: The short biographies and pictures of staff that were begun in last year's NEWSLETTERS will resume this academic year. The first features will be on NEW staff.
