
IN THE "NEWSLETTER SPOTLIGHT"

Last week, the NEWSLETTER featured the SUPPLY AREA and POST OFFICE at United Tribes Technical College. In that issue, the staff who work in SUPPLY and the POST OFFICE were recognized, and brief biographies of each employee were begun, starting with VERNA KOCH's.

In this issue of the NEWSLETTER, the biographies of the SUPPLY Staff continues with the STORY OF MILO CHASE! Milo is originally from Ft. Berthold and is Arikara. He graduated from New Town High School, and has worked at United Tribes from 1980-1984 and then from 1987 to the present.

On the campus of United Tribes Technical College, Milo is known as "THE TRIVIA KING". He has a prodigious amount of information on all subjects, and he's a "killer player" who could win every game if he didn't want other people on campus to have a shot at winning! Milo is also known as the Professor of Harassment 101! He loves sports and has a formidable amount of knowledge on all sports, TOO!

Milo is probably best known for his excellent sense of humor. There are many staff on campus who remember that Milo brightened up an otherwise "not-so-great" day! Thanks, Milo!

In the next issue of the NEWSLETTER, ED KNIFE of SUPPLY will be featured.....IF the Editor can keep Ed in one spot long enough to get some biographical information!

"THANK YOU" to the UTTC Staff and Students for the thoughtful cards, words of kindness, and sympathy, and for the memorial given after the recent death of my Mom.

A special thanks to Pam and the Food Service Students for their understanding during this difficult time for me. I appreciate it all!
