UNFORTUNATELY, one of the "happenings" this November is THE FLU!!! Three strains of flu have hit the United States earlier than expected this year.

It is strongly recommended that people over 65 years of age, and/or those suffering from heart disease, impaired lung, liver disease, or diabetes take the flu "shot".

Staff from the United Tribes STUDENT HEALTH OFFICE will be going to Ft. Yates on Tuesday or Wednesday, November 26th or 27th to pick up the flu vaccine.

IF YOU WISH TO ACCOMPANY THE STAFF TO FT. YATES....OR IF YOU HAVE ANY QUESTIONS ABOUT THE VACCINE, PLEASE CALL EXT. 247. The flu vaccine is a killed virus...and there is no reaction to the shot other than perhaps a little soreness at the site of the shot.

YES, VIRGINIA! NEWSLETTER Trivia has returned! The winners of the last Trivia Contest were MARY LOU AZURE and RON NEWMAN, Staff Members....and EDDIE PATTERSON, Student. Congrat winners!

Because we are approaching Thanksgiving, the traditional "Eat 'Til You Drop" holiday, our Trivia Question is about food: NAME SIX FOODS THAT HAD BEEN UNKNOWN TO THE WHITE MAN UNTIL INDIANS TAUGHT HIM ABOUT THEM; THESE FOODS ARE STILL VERY POPULAR AND COMMONLY EATEN TODAY (Source: The American Indian:A Study in Depth); any encyclopedia would be helpful!

Call answers to Lois Lane at EXT. 227 NOW! This week's prize is a watch (okay, so it isn't a Rolex! But it's serviceable and helpful for helping you get to class on time! And a very nice local business donated it to NEWSLETTER TRIVIA.

Bismarck Indian education program wins top award

The Johnson O'Malley Indian education program in Bismarck has received a top honor from the Bureau of Indian Affairs Office of Indian Education in Washington.

Of the 327 JOM contracts nationwide, only 10 received special recognition for outstanding counseling services.

The award was given to the Standing Rock Sioux Tribe and local JOM coordinator Anita Charging-Baird of the Bismarck public schools. Charging-Baird accepted the award at the National Indian Education Association convention in Omaha, Neb. Oct. 29.

Charging-Baird and Standing Rock representative Robert Gipp were also honored at a recent meeting of the Bismarck School Board.

Charging-Baird said the Bis-

marck program was noted for its enhancements.

"We do a lot of cultural presentations in the schools. We have discussion groups on the junior senior high level and counsel elementary students one-on-one. We maintain a library of American Indian materials for teachers and parents to check out, and we sponsor kids to attend leadership conferences and science fairs," she said.

CHILDREN'S BOOK WEEK OBSERVED AT TJES

November 11-17, 1991, was designated as Children's Book Week at TJES. This year, it carried a Native American theme. At TJES, totems and "Pow-Wow With Books -- READ!" posters greeted the TJES students in the hallways and Library.

During the week, there were drawings for free books and "junk food" certificates. The winners were: KINDERGARTEN: ROBERT RASMUSSEN, JR., who received Adventures of Big Bird in Dinosaur Days; FIRST GRADE: CODY TWO BEARS, who received Berenstain Bears to the Rescue; SECOND GRADE: DALONNE CATCHES, who received Adventures of Grover in Outer Space; THIRD GRADE: ANDREW RED BIRD, who chose a MacDonald's Gift Certificate; FOURTH GRADE: COLLIN KNIGHT, who also chose \$3.00 in "junk food" certificates; SIXTH GRADE: RANDEALL (IRA) JONES, who selected Garfield, the Truth About Cats; EIGHTH GRADE: RACHEL PONGA, who selected "junk food" certificates.

Congratulations to all winners! And "HAPPY READING!" to all!

The following information was provided to the NEWSLETTER by Dennis Renville:

We recently received a request from the Fond Du Lac Reservation in Minnesota concerning the last wish of a seven year old boy, CRAIG SHERGOLD, of Morristown, Tennessee. Craig has a brain tumor and has a very short time to live. The boy's last wish is to have an entry in the Guinness Book of World Records for the largest number of "get-well wishes" by an individual.

The child's address is:

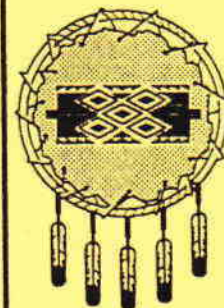

CRAIG SHERGOLD
c/o Children's Wish Foundation
3200 Perimeter Center, Suite 100
Atlanta, Georgia 30346

Please give this address to 10 other people. Maybe we can help make this young boy's last wish come true.
