"HAPPY BIRTHDAY & HUGS 'N KISSES JUDY DASOVICK" FROM TJES STAFF

TJES will be holding an OPEN HOUSE from 3-4:00 p.m., February 14th! Everyone welcome! More details next week.

Beginning Jan. 31st thru February 13th it will be declared "READ ON" week at TJES. Students (K-8) will be spending time reading for a reading contest. They keep track of time read or if they were read to on a chart which was sent home Jan. 31st. Prizes will be given out February 14th.

Recently, TJES adopted a new logo; the logo is the art work of DAMIEN CADOTTE. The logo will be printed on T-shirts, jackets, and other items. The first presentations with the NEW LOGO will be given to students with perfect attendance during the quarters of school.

The logo selection was the result of a logo contest that TJES sponsored. DAMIEN CADOTTE WON FIRST PLACE in the logo contest; the SECOND PLACE WINNER WAS DRAWN BY PATRICIA FAIRBANKS. The THIRD PLACE WINNER WAS DRAWN BY SHANA LEFT HAND.

Judges for the logo contest were JOHN BEHELER, ANN KUYPER, and DON RUSH.

Pictures of the winning logos are on PAGE 3.

TO THE READERS OF THE NEWSLETTER FROM TJES:

Theodore Jamerson Elementary is currently involved in a School Improvement Process. To make this a successful endeavor we need input from United Tribes parents, students, and personnel.

Below is a copy of our present and suggested school philosophy. Please read the philosophies and make any suggestions, corrections, additions to the philosophy you feel most appropriate. Cross out the philosophy you feel is not appropriate.

We at Theodore Jamerson Elementary School believe that:

_____ Each student is an individual with unique talents and skills.

_____ Each student learns best as an active participant.

_____ Each student's natural curiosity and personal experiences will be interpreted into all learning.

_____ Each student should develop a positive attitude toward self and learning.

_____ Each student's heritage should be preserved and practiced.

_____ Each student should be expected to deliver quality performance.

_____ Each student will be motivated to continue life-long learning.

Below is a copy of the suggest philosophy for Theodore Jamerson. Please compare this philosophy with the above.

We at Theodore Jamerson Elementary School believe that

....each student is an individual with unique talents and skills

....each student should develop a positive attitudes toward self and learning along with self discipline

....each student would be more aware of and appreciate different cultures, with emphasis on Indian culture

....each student would be expected to deliver quality performance and opportunities to experience success

....each student will be motivated to continue life-long learning with responsiblility in any society in which they choose to live

Please detach and mail this to Theodore Jamerson Elementary.

Thank you for your input.

Secondhand Smoke is Dangerous

Secondhand smoke can be just as dangerous as smoking. Experts rank secondhand smoke as the third leading cause of preventable deaths. Only active smoking and alcohol rank higher.

Between 46,000 and 54,500 nonsmoking Americans die each year from secondhand smoke. Byproducts from nicotine can be detected in nonsmokers.

Side stream smoke that comes off the burning end of a cigarette, contains higher amounts of the compounds that cause cancer and heart disease than

what the smoker inhales. Although these particles are smaller in secondhand smoke, they settle in the nonsmokers lungs and it takes longer for them to be cleared from the body.

Children that are exposed to secondhand smoke have a wide range of respiratory disorders and they have a greater risk of cancer and heart disease later in life.

If you have questions about secondhand smoke call **ASK-A-NURSE®** at 224-6877 or 1-800-526-6356.
