THE LOST WHITE MOUSE

a Tale by BJ

Carl's WHITE MOUSE ran away and hid among (r) SILK and (j) LILLEYs, but

Alona came (a) SPIDER,
and sat down beside her
And frightened poor
(b) WHITE MOUSE away.

WHITE MOUSE felt (a) SPIDER considered her as a. TAKES ENEMY so WHITE MOUSE scurried away and found (v) HOLLOW in BAD MOC-CASIN. But Bernard puts on his BAD MOC-CASINS to go out to (m) KILLS CROW and hunt (r) BLACK HAWKS. Bernard thought he had a (d) BURR in his BAD MOCCASIN. but out jumped WHITE MOUSE and scampered over (z) GROUND. Behold, a (w) EASTMAN came over (d) SURFACE and WHITE MOUSE was at a loss for a place to go.

(j) EASTMAN, of course, was afraid of WHITE MOUSE and he hollered (c) LOUDNER and (k) LOUDNER when he saw WHITE MOUSE (i) STANDS on the (z) GROUND. WHITE MOUSE had enough so he ran to the nearest (m st) JOHN. Carl (e) AZURE JOHN-SON, Boyd, to help him look for (b) WHITE MOUSE.

This ends the story because there is no (r) MOORE, who became SULLYn September 27.

(Thanks to the Business Clerical students and others for the play on names in growing this UNITED corn. No offense is intended. Read aloud for best effect. bj)

MISS BISMARCK
By Karen Montoya

Debbie Barth was born at Bismarck, ND but lived her first 21 years at Ft. Yates, High School, also one year at B.J.C. and is now completing her last three years at Mary College.

She came to work here at UTETC with the Personnel Department about a year and two months ago. When asked, what she thought of UTETC? Stated, it is a very good program for students and there should be more centers like it. It should also be used by more Indians and they should make use of the opportunity here.

She enjoys singing very much. Singing is what helped her win the title "Miss Bismarck." The name of the folk song she sang in the pageant was "Time." Claims the title "Miss Bismarck" will be a good experience for her to get a chance to meet a lot of people and to sing in different places.

After winning the title of "Miss Bismarck," she won a scholarship for \$550.00 and received gifts from merchants and the opportunity to run for Miss North Dakota.

When asked what an interested person should know to enter one of these pageants, she replied, "Should expect a lot of rehearsals and should be able to give ideas and opinions."

The future plans of "Miss Bismarck," Debbie Barth, is to finish school first, work for a while and specialize in the Nursing Field.

Frederick R. 'Bob' Harvey

ELECTED

BURLEIGH COUNTY SHERIFF

Bob Harvey, UTETC Security Chief and Police Science Instructor, will leave United Tribes December 20 to become Burleigh County Sheriff on January 1.

Harvey won the election on November 5 over incumbent Dale Granrud by a wide margin. Bob has been working for UTETC for the past 1½ years. Burleigh County is fortunate to have a sheriff of his caliber.

In discussing his victory, Harvey said "I was proud that we won, but I also feel bad about leaving UTETC because I feel dedicated to the students-I feel obligated to them." However, he is happy to be back in "true" law enforcement work.

Students and staff at UTETC are sorry to see him leave but wish him Good Luck and happiness as Sheriff of Burleigh County. We trust that the UTETC campus will not give him trouble.

Prejudice is a great time-saver. It enables us to form opinions without bothering to get the facts!

WHY: I selected Food Services as my vocation because in this day and age, there is a demand for workers in this field. There is the possibility for one to go in to business for oneself, cafe work or cook in a school or hospital etc. It is interesting to learn and know about the daily requirements of vitamins, iron, calcium etc, needed to provide energy and body building nutrients for the individual. Food is required to survive and, I feel it is a good vocation to take as this is a necessity in our life, and this line of work will always be available.

As we proceed with the vocation, I know it will become more interesting to know about the kinds of food, certain amount of calories, etc. needed for a person, who is sick, or on a diet. This is where cooking in a hospital would come in for one's choice of work.

What I have learned in my short time here at UTETC is rewarding, and becomes more interesting everyday. So, I urge anyone and especially new students to give Food Services a try and, I'm sure they'll enjoy it as much as, I do.

It is often surprising to find that heights may be attained by remaining on the level.

Thank You!!

The following letter was received from the Blood Services of Bismarck.

Ruth Snider
UTETC Dispensary
Bismarck, North Dakota 58501

Dear Ruth:

The people of Bismarck and the surrounding area owe you and the people of UTETC a very hearty thank you. There were 11 pints of the life-sustaining fluid we know as blood donated at the bloodmobile which was held on September 26, 1974.

It is an honor to work with people in the community that respond to the needs of the community with such enthusiasm. I am looking forward to working with you throughout the years to come in order that we may be able to meet the ever increasing demands for blood in the area.

It would be greatly appreciated if you pass along our sincere gratitude to all those that donated blood that day.

Thank you.

Sincerely,

Arlan L. Kostek

REALIZATION OF REALITY

By C. Springer

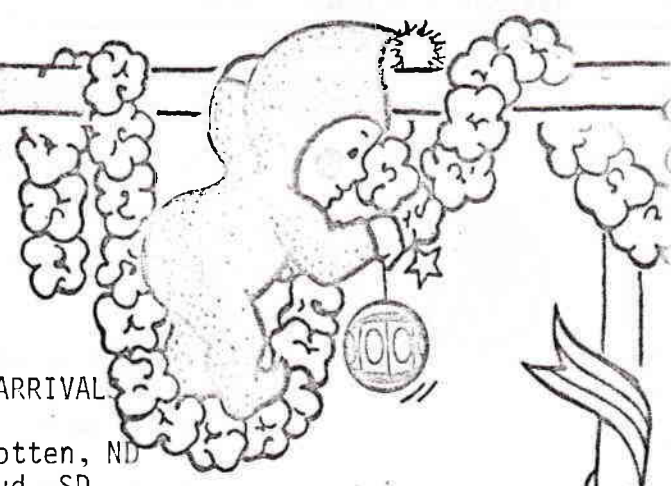

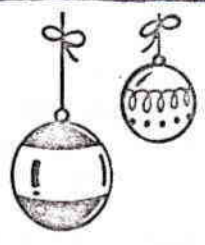

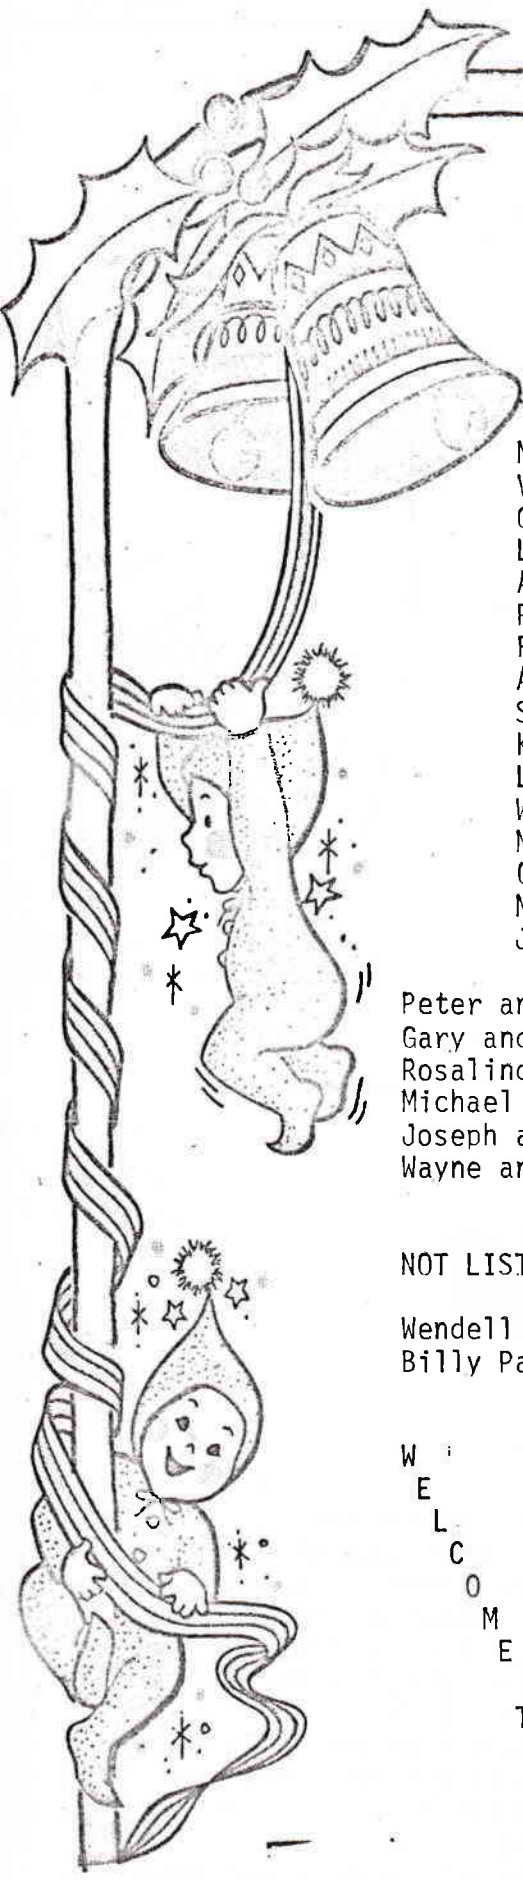

When I look up into the mountains. I feel the presence of my great, great grandfathers and mothers, and realize that it is left up to me to use all the knowledge I have to live in white man's world and make it mine.

For the white man's creation of life is an infinite reality that we cannot stop.

The art work on the cover of the October and this month's KEYAPI was done by Genevieve Spider from the Business Clerical vocation. Genevieve has studied art for one year at the Institute of American Indian Arts, Santa Fe, New Mexico. She is from Pine Ridge, South Dakota.

Norman Stewart from the Building Trades vocation sketched the drawing on the last page of this KEYAPI. He is from the Crow Agency, Montana.

Most of the art work in our paper has been done by UTETC students.

STUDENT HANDBOOK BEING PROCESSED
 by B. Condon

Mr. Jim Krogsrud attended a BIA Conference in Aberdeen, SD, September 11 & 12 concerning Student Rights and Responsibilities. It is a BIA policy that all BIA Schools have a handbook on Student Rights and Responsibilities.

On October 17, 1974, a committee was formed of 24 people, 12 students and 12 staff members, including Mr. James Krogsrud, Attorney for Legal Aid at UTETC. The Committee held meetings every Wednesday or Thursday up to November 20, 1974. The last meeting was held all day when the final draft was reviewed by the Committee.

The committee gathered all the rules and regulations here at UTETC with many of the present procedures still remaining, but some changes had to be made. There

were rules from Recreation, Maintenance, Time and Attendance, etc.

This handbook gives student's rights and responsibilities at UTETC. There are Grievance Procedures and Due Process Procedures.

The amendments in this handbook, which consist of present procedures, may at any time be changed, but by the authority of students and staff.

The final draft has been reviewed by Mr. Warren Means, Executive Director. The Handbook will then be sent to the BIA in Aberdeen for final approval.

After the Handbook has been approved at Aberdeen and at UTETC, it will be the Students Basic Document of Rights and Responsibilities as of the effective date.
