

United Tribes community gathers at medicine wheel in face of crisis

by Dr. David M. Gipp

UTTC Campus - Some 120 staff, faculty, students, and members of the community gathered at the Medicine Wheel, at 4:00 p.m., September 14, on the North side of the campus next to main Administration, to offer a special prayers, traditional songs and smudge ceremony for peace, those lost in the plane bombings, and for veterans and those who might be called to active duty military service.

John Beheler, director of the tourism project, shared his pipe and the Cannonball Singers sang a number of special songs for the occasion.

Russell Gillette conducted a purification smudge ceremony for each of the participants who stood in the outer circle of the Medicine Wheel.

President David M. Gipp gave remarks, as well, as about the difficulty in the loss of life, the need to have unity and pray for peace in uncertain time following the killings by terrorists at New York City and the Pentagon in Washington, D. C.

The Ceremony was among the first to be held in Bismarck, following the tragedy on Tuesday.

In addition, the United Tribes board of directors met September 14 to pass a special resolution of condolences for the victims and support of President George W. Bush in addressing the issue of terrorism.

Folic acid helps female students

United Tribes Technical College was awarded a grant from the North Dakota March of Dimes. One of the goals of the grant is to promote the use of folic acid by woman age 10 to 55.

Every female UTTC student and staff members under age 55 can receive a bottle of the vitamins free. If you want the vitamins and have not received it by August 27, call Wanda Agnew at Extension 420 to arrange to get one. They are free and so good for you.

EAT WELL AND BE HEALTHY

Because you are a woman, your body has special needs. As a woman attending college you will have additional needs to meet the expectations you have of your body and mind. College is often stressful and does not allow time to eat and rest as wisely as we should.

While you are attending UTTC this fall and next spring, we want to help you be better nourished. These One-A-Day vitamins are a gift to you from UTTC and the March of Dimes. Each vitamin tablet contains 100% of your daily folic acid requirements. The March of Dimes asks every woman to take folic acid every day. Folic acid is necessary for you to function at your best. Folic acid also prevents certain birth defects in our children and we really cannot be sure when the stork might visit us. Vitamins are only a nutritional supplement and they should not replace the joy of eating real food with your family and friends. Remember to eat at least 5 fruits or vegetables every day.

Good luck with your classes. Call UTTC Extension Education coordinator, Kim Hinnenkamp, ext. 397, if you have any questions about folic acid or other nutrition topics

United Tribes Issues Support of President & Nation in Crisis

by Dr. David M. Gipp

Bismarck, ND -"We offer our heartfelt sympathy and prayers for those who have lost loved ones in the tragedy which took place in New York City and at the Pentagon," said Charles W. Murphy, chairman of the United Tribes of North Dakota and United Tribes Technical College (UTTC) and the Standing Rock Sioux Tribe.

The intertribal board (UTTC) issued a **statement and resolution, September 14, supporting President George W. Bush and the nation's leaders in the effort to alleviate the national crisis** which took place in New York City and Washington, DC.

The ten member board, which is represented by the chairman and a tribal council delegate from each of the five North Dakota Tribes including the Sisseton Wahpeton Sioux Tribe, Spirit Lake Dakota Nation, the Standing Rock Sioux Tribe, the Three Affiliated Tribes of Ft. Berthold, and the Turtle Mountain Band of Chippewa, met as follow-up to the intertribal summit held the week before in Bismarck. The organization serves as a regional forum for intertribal issues and holds an annual summit among tribal governments.

The resolution urged the president and the congress to take steps to bring justice and prevent future terrorism, according to Murphy.

A letter and resolution, signed by Chairman Murphy and intertribal secretary Tex G. Hall, chairman of the Three Affiliated Tribes of Ft. Berthold, were sent to the White House and the congressional delegations in North Dakota and South Dakota.

WIC to be more accessible to UTTC students

by wanda agnew

WIC is a USDA nutrition program for children under age 5 and pregnant or breast-feeding mothers.

Each WIC participant receives a small amount of food, nutrition education based on their individual need and referrals to necessary services in the Bismarck area. WIC closely coordinates with student health to ensure all children are immunized and other health and social services.

Beginning in October, there will be a permanent WIC office on the UTTC Campus. It will be located in the infant and Toddler Care Center. Students and staff from the Nutrition and Dietary Management Program and Extension Program will handle the WIC clinic. The plan is to have clinics six to eight times each month. The clinics will be run on an appointment basis so students can pick up WIC and not miss a class or other activity. Let UTTC WIC become part of your learning experience this fall. For information or questions call Wanda Agnew, Ext. 420.

UTTC USDA garden plot a success:

by Wanda Agnes

All Native Tribes were dependant on the Earth for survival. Some Tribes planted seeds annually and harvested the produce. The produce was dried for future use during the harsh winters. Seeds were saved from year to year so the gardens continued. Each part of the planting, maintaining, harvesting and preserving of the food pro-

vided by Mother Earth was celebrated. One woman from Three Affiliated Tribes shared her opinion as to why gardens and gathering food from the Earth should be reestablished by Tribal people. She stated the work of gardening is not intended to ensure food security in today's society, but teaches how to reconnect with the Earth - touch it, smell it, and honor it, as generations before did. Gardening is a spiritual exercise as well as physical exercise and should become a part of every Native American household.

Part of the USDA Equity funds used for the Nutrition and Dietary Management degree are used for teaching about gardening and developing garden plots on campus. There are three separate gardens. The first garden contains turnips, cabbage, carrots as well as sunflowers. The second garden is a "Three Sisters Garden." Many Tribes have stories about the three sisters - beans, squash, and corn. Students enrolled in Diabetes and Mother Earth class will hear the stories and learn how to identify seeds, design a garden plot, harvest the produce and cook and preserve the bounty of the two gardens. Diabetes and Mother Earth is a three-credit class and is open to all UTTC students.

The third garden contains cilantro, onions, tomatoes, and a variety of peppers. The Extension Education Coordinator, Kim Hinnenkamp, will use the garden produce in the upcoming Salsa Classes. Listen for the dates and times so you can make your own salsa during the class.

Every human being should be cognizant of and thankful for the plants and animals that give of themselves so we can live. *Who plants a seed beneath the sod, and waits to see, believes in God.*

Looking for a way to use up all your garden tomatoes. Come to the UTTC Extension Program's Salsa Making Class!

Chauncey Black Spotted Horse and Sonja Cain were crowned the 2001 Fall Orientation King and Queen. Orientation was held August 22-24, 2001.

Students pass through the Admissions and Financial Aid booths during the Campus Orientation Fair. The three days of orientation were filled with lots of campus services information, TABE testing, and registration for classes.

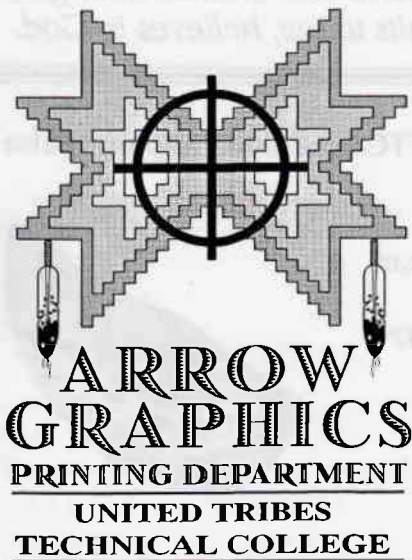

Kristin Middletent was the winner of the M&M dispenser. Unfortunately, the jar of M&M's got broken before it made it into her hands!

Shelley Halsey was the winner of the computer that was donated by the Technology Department. Students were eligible to win if they got signatures from every booth during the Orientation Fair.

Welcome to all new students and all returning students. We hope you have a great year here at United Tribes Technical College and learn a lot to take with you as you return home.

We apologize for the delay of getting out the UTTC On Campus newsletter. We have been quite busy lately. We shall try and get this On-campus newsletter out on time. With your help by getting articles here on time. We would like these items, articles, write-ups, pictures with captions by Monday at 5:00 p.m., so we may get the newsletter out by the next following week. We also have our new email address: nduttnews@hotmail.com. This week several people sent me news items on the site and I was very pleased to receive them. Please continue to use the email and all articles must pertain to campus and educational events.

United Tribes intertribal summit yield major resolutions on Indian policy

Bismarck, N.D. - The five tribes of North Dakota gathered again for the 5th time to discuss intertribal issues in common with the theme "**Building Stronger Nation's Through Intertribal Unity,**" according to Phil Baird, dean of Intertribal & Institutional Development Programs.

They passed **eight major resolutions** on American

Indian policy ranging from the need for more funding of tribal programs to better opportunities in education, noted Baird.

The intertribal summit, which has become an annual gathering of the five tribal councils and other tribal officials from other states, meets to listen to major issues and problems held in common. They typically will listen to speakers, discussing problems and propose solutions in the form of resolutions which are later enacted by the full United Tribes board of directors.

North Dakota **Governor John Hoeven** and **Ms. Cora Jones**, Director, Great Plains Region, Bureau of Indian Affairs were among keynote speakers at the conference.

Brenda Dvorak, UTTC Tribal Management instructor, and her **tribal management students** attended the summit.

New quantity foods production class starts

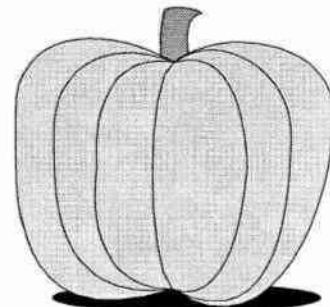

On September 24, between 11:30 and 1:00, the students and staff in UTTC's Quantity Food Class are preparing the first of several planned meals. Meals will be served in the newly remodeled kitchen lab and USDA Resource room.

Fall is a wonderful season to say Thank You for the Earth's bounty and those who helped us throughout the year. The first Quantity Foods Class meal is by invitation only and will be FREE to those invited, in an effort to tell them we appreciated their help. These guests each played a part in getting the budget, facility, or staff prepared to begin the class

Quantity Food meals in the future will cost \$4.00 and will be open to UTTC staff and students. Watch for the meal announcements. There will be a limited number of people who will be able to attend each meal as we can only seat 30 to 40 persons comfortably.

Miss Indian nation X selected

by David M. Gipp

Dillene Sunshine Hoffman, White Mountain Apache

Bismarck, N.D. - Dillene Sunshine Hoffman, White Mountain Apache, was selected as the new Miss Indian Nations X at the 32nd annual United Tribes International Powwow, September 8, 2001, where she was presented before thousands of spectators and dancers from throughout the nation and Canada.

Hoffman, from Whiteriver, Arizona, is a college student at the University of Arizona, Tucson, AZ, and competed with 10 other Indian women for the post. She will serve as a cross cultural ambassador, educating a wide range of audiences which include young people as well as seniors among Indian and Non-Indian groups.

Hoffman, who made her first appearance Saturday night, September 8, at the powwow said, "I will do my best to represent the various Indian Nations, and look forward to appearing here again," as she also prepared to return to her college classes.

She will be making appearances before Indian and Non-Indian audiences around the country informing them about American

Indians and the issues which affect them. She will provide background information about herself and her tribe, as well.

Each candidate is judged by her knowledge of her tribe, Indian Affairs, and tribal culture and heritage, as well as contemporary presentations. Scholarships are awarded to the top four winners.

Eleven candidates competed for the title.

Selected as First Runner Up was Shere Wright, Sicangu Lakota, Mission, South Dakota, and who would serve in the event the reigning Miss Indian Nations cannot complete her year of service.

Second Runner Up was April Tinhorn, Hualapai Tribe, Severn, Maryland, Third Runner Up was Clarissa Cawston, Colville Confederated Tribes, Coulee Dam, Washington.

Other award winners included: Trina Lone Hill, Oglala Lakota, Burnsville, MN., for Miss Congeniality; Miss Talent went to Sonja Cain, Blackfeet, Bismarck, ND; Tribal Chairman's Award to Violet Olney, Yakima Nation, White Swan, WA; President's Award to Corrine Whiteman, Bois Forte Band of Chippewa, Nett Lake, MN; Children's Choice Award went to Tomi Lee Fool Bear, Standing Rock Yanktonai Sioux, Cannonball, ND.

The pageant program is a non-profit effort and relies on contributions and sponsors to support Miss Indian Nations and the educational program she represents.

For more information and policies on appearances before groups, schools, and organizations contact (701) 255-3285, Extension 208 or Fax:(701) 530-0605 for Misty Delgado.

In a recent article from US World News, it stated that at least 10 million at risk Americans could dramatically cut their chances of developing diabetes by implementing a few life-style changes. The article stated that life-style changes are even more effective than a popular anti-diabetes drug. Researcher, Edward Horton states "We are talking about losing maybe 15 pounds and a 30-minute walk." The key is getting the general public to make these changes and fast. Currently, diabetes is the seventh leading cause of death in the US.

When you quit smoking:

20 minutes later - Your blood pressure and pulse rate drop to levels they were before you became a smoker.

10 hours later - The oxygen and carbon dioxide levels in your blood return to normal.

3 days later - Your lung capacity starts to improve and breathing becomes easier.

4 years later - Your risk of having a heart attack is reduced to that of a nonsmoker.

10 years later - You will decrease your chances of dying of lung cancer to that of a person who never smoked.

UNITED TRIBES of NORTH DAKOTA

Resolution No. 01-09-05

**RESOLUTION EXPRESSING SYMPATHY TO THE VICTIMS OF THE
DISASTERS OF SEPTEMBER 11, 2001 AND IN SUPPORT OF EFFORTS OF
UNITED STATES GOVERNMENT TO COMBAT TERRORISM**

- WHEREAS,** United Tribes Technical College (UTTC) was official founded in April, 1968, as an inter-tribal organization dedicated to the training, education and development of tribal populations and their families; and
- WHEREAS,** United Tribes Technical College (United Tribes) is a non-profit vocational and technical educational institution qualified for tax-exempt status under the tax laws of the United States, duly incorporated under the laws of the State of North Dakota, and is owned, operated and controlled and operated by the Standing Rock Sioux Tribe, the Spirit Lake Nation, the Three Affiliated Tribes, the Sisseton Wahpeton Dakota Nation and the Turtle Mountain Band of Chippewa; and
- WHEREAS,** Terrible and horrific events occurred on September 11, 2001, which have shocked our Nation, and have caused great loss of life and property in New York City and in Washington, D.C. at the Pentagon; and
- WHEREAS,** As Tribal Nations, we stand in complete condemnation of these terrible and horrific acts; and
- WHEREAS,** The cultures of our member Nations teaches us that we are all related, and never has this felt more true than now when our Nation has suffered such a terrible disaster and where our Nation has lost so many of its lives, so many of its citizens, innocent victims all.
- WHEREAS,** We, the member Tribal Nations of United Tribes Technical College and United Tribes of North Dakota, recognize the suffering of the victims and their families and offer to them our deepest sympathies, our prayers, and our support; and
- WHEREAS,** As the Nation deals with its grief and loss, as Nations and as peoples who have suffered our own share of disasters, and as we seek answers to the senselessness of these acts, we ask that our fellow citizens not condemn anyone because of their race, or their religious or political beliefs; and

WHEREAS, The member Tribes of United Tribes recognize the need for the United States to find and bring to justice those who are responsible for these heinous acts, and the need of the United States to work together with all Nations of the world to prevent such acts from occurring anywhere in the world in the future; and

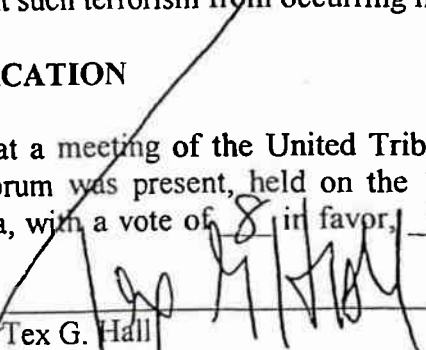

WHEREAS, United Tribes has recognized September 14, 2001 as a National Day of Prayer and Remembrance of the victims and their families, as declared by President George W. Bush in remembrance of the victims and their families of the terrorist attacks on the United States on September 11, 2001.

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of United Tribes Technical College, who are comprised of the Chairmen and a Council member from each of the Tribes that controls United Tribes Technical College, do hereby offer their prayers, sympathy and support to all those persons and their families who suffered as a result of the horrible acts of September 11, 2001; and

NOW THEREFORE BE IT FURTHER RESOLVED, that the Board of Directors of United Tribes Technical College hereby joins with the President in condemnation of the terrorist acts of September 11, 2001, and supports whatever actions the President of the United States deems appropriate in the face of these atrocities, including such things as assistance to the victims and their families, and requests that our Congressional delegations of the State of North Dakota and South Dakota work with our President and all other Nations of the world to take such actions as will bring the terrorists to justice and prevent such terrorism from occurring in the future.

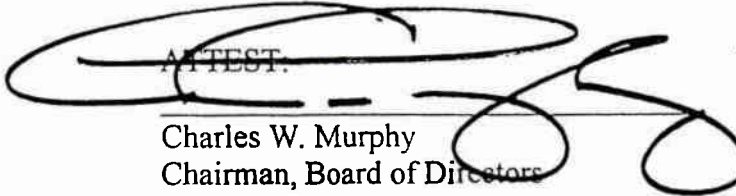

CERTIFICATION

The foregoing resolution was duly passed at a meeting of the United Tribes of North Dakota Board of Directors at which a quorum was present, held on the 14th day of September, 2001, in Bismarck, North Dakota, with a vote of 8 in favor, 0 opposed, 0 abstaining, and 2 not present.

32nd Annual International United Tribes powwow ends in success

by David M. Gipp

Bismarck, N.D. - The 32nd Annual United Tribes International Powwow rounded off its final night with success as the **Eagle Mountain** drum from **Rapid City, South Dakota**, took the **championship singing contest**, followed by 2nd place winners White Fish Juniors, Doboan, Saskatchewan, Canada.

According to United Tribes President David M. Gipp, the weekend went well insofar as weather, crowd and contestants were concerned from September 6-9, 2001, at the Lone Star Arena on the United Tribes Technical College campus. Some 20,000 dancers, singers, spectators and conference participants jammed the hotels, cafes, and stores in the cities of Mandan and Bismarck from September 5 into the weekend.

Along with the tribal leaders from the five tribes, Governor John Hoeven appeared at the Saturday Grand Entry.

Miss Indian Nations X, Dillene Sunshine Hoffman, was crowned and appeared before thousands Saturday night. She is a White Mountain Apache from Arizona and attends the University of Arizona, Tucson, AZ.

Canadian singer Joann Storm performed, followed by the Mexican Aztec Dancers who danced at the powwow throughout the weekend.

A parade on Saturday also highlighted the dancers and singers beginning at the capitol grounds and ending near the civic center.
